

Our Annual February Clearing Sale

Commences tomorrow

The values offered on this occasion will serve to arouse the keenest interest through the entire month of February. One hundred thousand dollars worth of choice merchandise will be offered for sale at clearance prices. To each article will be attached a Red Ticket showing the clearance price. Taking as a standard the prices in force throughout the city, we can assure you a saving of from 10 to 50 per cent. It has been the policy of this store to dispose as nearly as possible of all merchandise bought for one season at its close—thus assuring an entire New Stock for the coming season.

This is undoubtedly the greatest buying opportunity of housefurnishings the citizens of Omaha and Vicinity have ever enjoyed, and we feel the savings are great enough to induce you to buy for future use. The price arguments which we present should be positive proof of our ability to create values which will at once appeal to your purse.
