BENNETT'S THIS IS FOR YOU MEN

"\$4.00 ON EIGHT"—A powerful new story by Emerson Hough, dedicated to President Roosevelt—fresh from the press, \$1.00. You'll want it.

Last Friday we advertised a suit sale that was remarkable in many respects. Our buyer bought these suits in New York because the price was such that he simply could not resist even in spite of the late season and in face of the fact that every other fellow in town has been crying "sale" at the top of his voice for a month or more.

Notwithstanding the extreme cold Saturday several hundred men braved the elements and came out and bought. There are several hundred suits just as big value as any that went out, still here. They are just the kind of suits that make you feel satisfied with yourself and your ability to detect a good bargain when you see it.

If there's a dealer lurking in your breast for a new suit you'll have to put action into it for opportunities like these don't linger long. The "Do It Now" motto is particularly appropriate.

Never was an advertisement written that stuck more closely to facts. The heading tells the whole story concisely. In addition to the great coat purchase Bennett's ever made we include in the sale every single cloth coat from our regular stock and offer at same low price. The highest priced cloth coat in the store is only \$10.00 now; absolutely season's best styles, actually worth \$25.00, \$35.00 and \$40.00. You can take your pick. There's another lot, all new up-to-date, too, that were \$10.00 and \$12.50, now \$5.00.
