LECTURE ON SPANISH ART

Ralph Clarkson to Come to Omaha

1 . 4

123

Mr. Clarkson is one of the foremost portrait painters in the United States. His lecture will be given under the auspices of f Fine Arts. His leetures in eastern dilies have been a tremend-ous success, and this society is to be sin-ceredy congratulated in securing him for one of their speakers this year.
(b) Is the milk "adulterated" or not "of good standard quality" as defined by stat-ulas?
All work should be done through the lo-cel health officer. In case there is no local officer, then through the lo-cel health officer. In case there is no becal officer, then through the lo-cel health officer apprec-iate public interest and intelligence.
Mr. Charles M. Kurtz, director of the Al-bright art galieries of Burfalo, refers to his portrait of Mr. E. G. Keith of Chicago, as one of the finest portraits in the country.
In a recent exhibition at the Albright art gallery, this portrait of Mr. Keith was con-sidered the finest one motwithstanding the tures in eastern cities have been a tremendsidered the finest one notwithstanding the fact that there were five by dargent, four by Chase, as well as portraits by Berkwith, Melcherz, Wiles, Beison, Dé Camp, and Vinton.
