Missouri Official Recommends Amendments to Make Statutes More Strict. JEFFERSON CITY, Mo., Feb. 20.—Sweeping changes in the insurance laws of Missouri are recommended in a report which Superintendent Vandiver sent to the legislature today. He suggests an adequate rating law for fraternal companies, stricter regulations of mutual fire insurance companies, the requiring of foreign life companies to deposit state and municipal bonds of Missouri as guarantee, making it a criminal offense for a life insurance company to take premium notes and discount them before policies are delivered.

IRISH TO AID TORIES

(Continued from First Page.) His majesty was very much interested in hearing a recital of the success of the Wrights; how they became interested in aviation, their long stay in England, their final success and the complete mastery of their machine. He then discussed the eventual use of the aeroplane in war. He questioned the suitability of the aeroplane in general offensive operations on land, but said he thought it invaluable for land scouting and sea coast defense, where it could be used offensively with success.

NO AIR FLIGHT FOR ALFONSO

King of Spain Deterred by Pleas of Queen and Premier. FAU, France, Feb. 20.—King Alfonso of Spain was present at the flying near Pau today, and witnessed the flights of the Wright brothers, the American aviators. It had been generally believed that his majesty would venture aloft on one of the trips, but he did not do so, and it became known that before leaving Madrid he had promised Queen Victoria and Premier Maura he would not go up into the air under any circumstances. His majesty evinced the greatest interest in the aeroplane as an engine of war and deplored the fact that he could not make a trial flight.

GIVES PROMISE NOT TO FLY
