High Private Wins California Derby
at Emeryville.

JOE MADDEN COMES IN SECOND

Race Worth Over Five Thousand to
the Winner-King James Wins
the Speed Handicap at
Santa Anita.

OAKLAND, Cal., Feb. 22.—High Private,
one of the stars of the Forsythe stable,
won the California derby in clever style,
at Emeryville today. Joe Madden, carrying
the colors of Sam Hildreth, was second,
with Tom Hayward, owned by Thomas H.
Williams, third. The event, which was a
mile and a quarter, was witnessed by
the largest crowd of the season, about
4,000 people being in attendance. Ideal
weather prevailed, but the track was
dead. Lawton Higgins and Fanatic were
withdrawn and Madman added, leaving
seven to go to the post. High Private was
a pronounced favorite and justified the
confidence shown in him by drawing away
after the half mile pole was reached and
maintained his lead from there to the
finish. The race was worth \$5,000 to the
winner. Bubbling Water, a California Oaks
candidate, scored an impressive victory in
the seven-furlong race. Summaries:

BURMAN MAKES NEW RECORD

Hundred Miles on Circular Track in
Fast Time.

LOWERS FIGURE ELEVEN MINUTES

Previous Record Was Made by Cle-
mens in Indianapolis—World's
Women's Record Also
Broken.

NEW ORLEANS, Feb. 22.—R. Burman
broke the world's record for a hundred
miles on a circular track in the feature
event of the second day of the Mardi
Gras auto speed carnival. Burman
made the distance after a most remark-
able drive, in 1:42:39, this being eleven
minutes faster than the previous record,
made by Clemens in Indianapolis, in 1905.
There were six other races, all of which
were at the same time. The weather was
cloudy, but the track was in almost perfect
condition. In the first race Jimmy Ryall
made too wide a turn at the beginning of
the stretch and, losing control of his car,
fell into the fence. The machine was de-
molished beyond repair. Ryall's escape was
remarkable, as he was traveling faster than
a mile a minute.

The 100-mile race, open to stock cars,
started with three entries: Burman (Buick),
Robertson (Stimpex) and Strang (Hoatz).
Burman started off in the lead, with Bur-
man second and Strang third. At the end
of the first mile Burman had taken the
lead, which he held until the end of the
race, with the exception of one mile. In
the seventy-fourth mile Strang was forced
to stop for the second time, his steering
gear being out of order. It could not be re-
paired in time, so he retired permanently.

Burman's driving was the most extraordi-
nary ever seen in this city. He drove
hard from start to finish, cut his turns
sharp and never once during the whole
race was he forced to stop for anything.
Burman drove alone, with the aid of a
mechanic and his stock car was
stripped to a skeleton.

The world's women's record for one mile
on a circular track was broken by two
and one-fifth seconds in the sixth race, by
Mrs. Cuno, her time being 1:09. Mrs.
Cuno drove a remarkable race in this
event, her daring in rounding the curves
causing great excitement.

The races Monday include a five-mile
free-for-all stock car, a five-mile trial for
the world's women's record, a ten-mile
handicap, a five-mile free-for-all, a
\$3,000, and a fifty-mile free-for-all. Sum-
maries:

First race, five miles, national amateur
championship for Klaw & Bringer trophy:
Mrs. Cuno Newton, Cuno, 1:09; Gladys
Cuno, 1:10; D. Donnelly, 1:11. Former
record, 1:09.5.

Second race, ten miles, free-for-all, \$100
cash to winner: Ralph De Palma (Flat Cy-
clone) won, Time: 10:08. George Robert-
son (Stimpex) second, Time: 10:09. Bur-
man (Buick) third.

Third race, one mile against world's record:
Mrs. Cuno Newton, Cuno, 1:09; Gladys
Cuno, 1:10; D. Donnelly, 1:11. Former
record, 1:09.5.

Fourth race, ten miles, open to all stock
cars, for Klaxton trophy: Mrs. Joan New-
ton Cuno (Knox Giant) won, Time: 10:14.
Mrs. Cuno Newton second, Time: 10:15.
Burman (Buick) third.

Fifth race, five miles, motorcycle: Jensen
won, Time: 6:27. Others did not finish.

Sixth race, one mile, time trial against
world's women's record: Mrs. Joan Newton
Cuno (Knox Giant) won, Time: 1:09.5.
Former record, 1:09.5.

Seventh race, 100 miles world's champion-
ship, open to all stock cars: Burman (Buick)
won, Time: 1:42:39. Robertson (Stimpex)
second, Time: 1:43:30. Strang (Hoatz)
third, Time: 1:44:30. World's circular
track record, 1:42:39.

INSANITY A POPULAR PLEA

Prominent Attorneys Insist on Right
of Summoning Alienists.

OPPOSED TO COURT DOING THIS

County Attorney English and Ed P.
Smith Think Each Side Should
Retain the Exercise of
This Power.

A defense of insanity is growing popular.
Such a defense was made for Van Goodell
and a claim that Mrs. Etta Banner was out
of her mind will be made by Attorneys
Gering and Murphy when the woman is put
on trial for shooting her brother-in-law.
It will be urged that the attack on her
daughter's reputation so preyed on Mrs.
Banner's mind that she became insane and
was insane when, armed with a revolver,
she found her husband and his brother in
front of a cigar store and fired at the lat-
ter point blank.

Attorneys and the majority of laymen
do not look upon the defense of insanity
in quite the same light. Needless to say
there is an overwhelming prejudice against
the claim because it is used or seems often
to be used in those cases such as that of
Van Goodell and Mrs. Etta Banner, when
the fact of the killing cannot be disputed,
and it thus appears to the legally inexperi-
ent simply a trumped-up device to cheat jus-
tice of a murderer's punishment.

Even making the assumption that this is
true, there is little likelihood of a change
of procedure as regards calling insanity
experts to the stand. The Douglas court
bar almost to a man would oppose any
proposition to shut lawyers off from sum-
moning what witnesses they wish by put-
ting the summoning of alienists into the
hands of the presiding judge. The same
is true with regard to all expert evidence.

More Talked Than Pleaded.
"Insanity is more talked about than
pleaded," declared Judge Lee Estelle of the
district court. "In all the years I have been
connected with criminal cases in one way
or another I have known of but one case
with which I was connected when insanity
was actually urged in behalf of a prisoner.
I do not think that all told there have
been six cases of the kind in the district
court of Douglas county in all these years."

"Lawyers will vigorously oppose any at-
tempt to take out of their hands the right
to call any witnesses as to a material
point," said Attorney E. P. Smith. "I doubt
if the court will ever be empowered to de-
prive a defendant of his right in this mat-
ter."

County Attorney English holds a similar
opinion on the point and likewise half a
dozen other lawyers asked for their views.
Mr. English declared:

"There is a popular misconception on
this point growing out of the first Thaw
trial. That case was stopped, you remem-
ber, while an official commission examined
into the insanity of Thaw at the time of
the trial. This, legally, was an entirely
different proposition from the question as
to whether he was insane when he killed
White. The statutes of Nebraska provide
for just such a question as to the sanity of
a defendant when on trial."

BOHEMIANS HONOR LINCOLN
Eleven Bohemian Societies Join Sunday
in Holding Patriotic Exercises
in Mets Hall.

Eleven Bohemian societies joined Sunday
afternoon in holding a mass meeting in the
Mets hall on South Thirteenth street to
commemorate the birth of the greatest
American of the past century, Abraham
Lincoln. Though the commemorative exer-
cises were belated a week, still the attend-
ance at the Sunday meeting was large and
enthusiastic and patriotic addresses were
made.

Judge L. J. Berka presided and the fol-
lowing program was given:
Music by Fibinger's quartet.
Bohemian song, by Lyra Singing society.
Recitation, "Greetings from the Father-
land," by Mrs. A. Vrana.
Cornet solo, by Miss Marie Mik.
Address, in Bohemian, by Judge Berka.
Recitation, "Freedom," by Mrs. A. Pils.
Song from "The Songs of the Slave," by
Stanley Serpan.
Address, in Bohemian, on "Lincoln and
His Time," by John Kozicky.
Song, "America," by Lyra Singing so-
ciety.
Recitation, "Abraham Lincoln," by Miss
Pauline Mihal.
Music by Master Louis Mawrin.
Music by Fibinger's quartet.

On account of serious illness, Rudolph
Fibinger, teacher in the Bohemian school,
who was on the program for an address,
was unable to be present.

The stage of the hall was tastefully dec-
orated with a profusion of palms and cut
flowers, a large picture of Lincoln occupy-
ing the center. The large hall, including
the gallery, was filled with patriotic people,
who listened attentively to the long pro-
gram.

The commemoration of the centenary was
suggested by the Bohemian Secular union
about a month ago and an invitation for
co-operation was extended to all Bohemian
societies. The following responded: Falchly
society, No. 1, Z. C. B. J.; Lyra Singing so-
ciety; Eliska Premyslova lodge No. 77, Z.
C. B. J.; Ted Jed Sokol; Pod Sokol Try-
bo; Bohemian lodge No. 314, A. O. W.;

POWDER TRUST COMPETITOR

Former Senator Clark of Montana
One of Men Behind New
Company.

SAN FRANCISCO, Feb. 22.—Backed by
the interests headed by Senator William A.
Clark of Montana, a powder manufactur-
ing company beginning operations with a
capital of \$2,000,000 will shortly erect a plant
in one of the bay counties and engage in
active competition with the Powder trust,
according to a statement made in this city.
Associated in the enterprise, it is said, will
be John Birmingham, formerly general
manager of the DuPont de Nemours Pow-
der company; J. A. Folger, head of a local
merchandise concern, and former State Sen-
ator Charles M. Beishaw. The plant, it is
believed, will be located in the vicinity of
Antioch.

The Powder trust operates numerous fac-
tories in this state and several of these
are located on the shores of San Francisco
bay. It is stated that although the gov-
ernment is a large manufacturer of powder
for its own use, it purchases 85 per cent
of its explosives from the trust. It is the
plan of the Clark company to compete for
this business and to erect the plants as the
business requires. The operations of the
company will be under the personal direc-
tion of Mr. Birmingham.
