Flaxon

THE CRAZE OF THE SEASON FOR DAINY DRESSES and LINGERIE

Flaxon is a fabric of unusualness. It is new, distinctive, individual. You liken it to the finest Irish linen because of its delicate, shimmering surface and crisp, snappy texture; it surprises you by its long wearing properties, laundering repeatedly without ill effect. It brings new delights when made into frocks, skirts, waists, corset covers and the like. For nearly every use, Flaxon supplants the best lawns and India Linens, at a far lower price. Dress-makers and style makers endorse it.

Plain White, Patterns, Colors. See Flaxon on the Selvage.

OUR PROFIT SHARING PLAN

BEAUTIFUL PREMIUMS FOR EVERY ONE

There is no disputing that the one who buys for cash at retail is as much entitled to a discount as he who buys at wholesale. We give a discount to everyone. The best trade inducement in our opinion that a merchant can offer his patrons are the famous S. and H. GREEN TRADING STAMPS. You will receive at least one stamp for each 10c in amount of your purchase you make in any department in the store. This insures our patrons obtaining many beautiful and useful premiums. Their great variety and excellence cannot be fully appreciated unless you see them. For that we urge you to view the magnificent display we make in our premium parlor on the balcony or the S. & H. premium room at 1417 Harney Street.

Everyone desiring to start a collection of S. & H. stamps will be given a book containing 10 STAMPS FREE.
