Must Be Eliminated.

LINCOLN, Feb. 3t.—(Special Telegram.)
—Norris O'Neil, the Western league president, has recalled his acquiesence to the schedule adopted at the recent meeting in Lincoln and has notified Guy Green, president of the local club, that the program must be revised so as to provide for an equal number of games between all eight clubs. The existing inequality involves the Lincoln, Sloux City, Topeka and Wichita clubs. Mr. Green has drafted a proposed amendment to the schedule and submitted copies to O'Neil and Magnates Holmes, Cooley and Holland for their approval. The only material change, aside from the equalizing process, would be to schedule the Lincoln and Topeka clubs to open the session in Topeka on April 29 instead of Lincoln. Must Be Eliminated.

RICHMOND, Va., Feb. 24.-The southland today paid homage to the globe girdling fleet in the old capital of the onfederacy. "We welcome you to the hearts of a

people who yield to no one devotion to the American havy nor in loyalty to 'our' flag," was the sentiment expressed at a luncheon in the Jefferson hotel this afternoon by Mayor Richardson in welcoming Rean Admiral Sperry, Rear Admiral Walnwright and fifty-four officers.

The luncheon, at which men of all walks of civil life, of all ages and of unyielding loyalty to the cause of Jefferson fraternized in good fellowship with the fighting men of the navy was given by the Richmond Chamber of Commerce. Admiral Sperry received an ovation. He referred to "this first separate welcome since we have returned to our shores," said he had not read his official mail since arriving on the American side, and smilingly added: "I don't know where the secretary of the navy is and what is more, I don't care."
