At 8:30 A. M. ON SECOND FLOOR MEN'S SUITS

\$3

Until about six months ago we used to sell quite a lot of \$5.00 suits and we always gave the best possible values for this price. Now most people seem to want better goods and we find about 200 of these suits on our hands. They are strong and durable. They come in neat desirable patterns. Plenty of all sizes up to 44. In the future the cheapest suit we will carry will be \$7.50, which we will guarantee to be as good as other stores' \$10.00 suits. Amongst our old \$7.50 suits we found about 50 which should really be marked down to \$5.00, as the price of piece goods has declined considerably since last year and we now can give you a pure worsted suit, but as we will have no more \$5.00 suits, we put these in also. Take your choice for \$3.00.

No alterations will be made and no suits will be taken back or exchanged.

MEN'S Sweater Coats

Worth up to \$2, in all sorts of colors, tan, blue and other fancy colors, including pure white. Sale price
