The new the Sunday adjournment of the legislature, woman's building now in the course of crecthose members who return to their homes tion was named by the regents Lathrop hall, in honor of Dr. John H. Lathrop, the first chancellor of the university, who was at the head of the university from 1850 to given a non-member for a room on the

Over 1,300 have attended the special courses for farmers, for women, and for creamery and cheese factory managers and operators, just closed. There were 617 in attendance at the farmers' course, an increase of 116 over last year's enrollment. In the course in home-making, 411 women were registered, representing twenty-nine counties and eight other states. A number of counties were represented by as many no harmful drugs and is in a yellow packas fifteen women each. Some fifty opera- age. Refuse substitutes,

of the college. Seven hundred and forty, tors and managers of creameries and cheese factories, representing twenty-five ranging from \$5 to \$1.000, payable in one, counties of Wiscousin, and three states, two, three or more years. Individual gifts studied the latest and best methods of mak-

In accordance with the principles of unt friends in the east, reach the sum of versity nomenclature adopted by the Assoctation of American Universities, of which the University of Wisconsin is a member "If would be highly gratifying to the the title of the college of law was changed college," says President Perry, "to be able to that of "Law School" and the name of to break ground for the Carnegle Science the college of medicine was changed to that of "Medical School," the recommendation this greatly to be desired result some of our of the Association of American Universities being that the term "school" be applied to of the payment of their piedges or give ac- those professional departments requiring eptable security for the same. to do this to enable the college to meet ELKS PLAN NOVEL STUNTS Long-Borned Men Get Up Some Quaint Features for Their Fair.

> Unique advertising schemes are being volved by those in charge of the pubicity end of the coming Elks' fair. The first of these new "stunts" was put on at Grand Island last week. This was an invitation to the Nebruska newspaper men, who held their annual convention in that the invitation being a parchment city. scroll six feet long and eighteen inches wide.

Another means for advertising the fair will be a real airship which the Eiks will send up just before the opening of the fair. A man will go up in the ship and when several thousand feet above the earth will cut loose and descend by means engineering; railway, steam and gas en- reaches him after he alights on terra sion will be attached to them, good for

The fair will be held from April 14 to 24, and all the proceeds will be used exclusively for the purchasing of furniture decorations and equipment for the longs and club rooms. In some quarters an erroneous impression relative to the buffet to be placed in the new building became circulated. The Elks will have neither bar, buffet or sideboard in their new quarters, though a lease has been ground floor and this tenant will fit up a buffet at his own expense.

Simple Remedy for La Grippe. La grippe coughs are dangerous as they frequently develop into pneumonia. Foley's

Honey and Tar not only stops the cough, but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains
