NOBBY SPRING STYLES FOR MEN

Have you seen our matchless exhibit of New Spring Clothes for men and young men? From the extreme styles for young men to the quieter, more conservative styles for men. every garment shows mighty convincingly that it's built by the most expert clothes artists

No matter what your inclinations may be, we guarantee you a greater variety of real new styles, colors and patterns than you'll ever see outside of this store.

The tailoring of these garments is done entirely by hand as in all our clothing

Their perfect fit and faultless lines will surely please you, but the most pleasant surprise is the fact that at any price you pay we'll give you a full 20% more in value than any clothing store west of Chicago.

Remember, we guarantee the color, fabric, workmanship, style and shape retention of every garment we sell.

This means: a new suit free if the one you buy does not prove satisfactory.

Opening Display and Sale of Boy's Suits

We've every one of the new styles, colors, materials and patterns of Boys' Clothing now on display in the greatest variety of sizes and prices ever seen in this city. These garments are especially intended for big, strong, healthy

boys who "go right through" ordinary clothing. Made to fit perfectly they give the greatest freedom of movement and permit a boy to run, jump and play without the least danger of ruining his clothes.

The fast colors and premanent shape of these garments results from the use of none but the very finest materials and indicates the high degree of workmanship with which they are made. Every little detail that will contribute to the appearance and wearing qualities of these garments

has been included. We know that both you and the boy will be absolutely satisfied with any one of them. Are you going to bring the boy in Saturday?

watched with considerable interest 'during the past few years, and many have been pleased to note the favorable reports received from time to time concerning his work. It cannot be said, however, that Mr. Hall measured up in full to the high expectations which his coming had aroused. Since his vocal accomplishments had been heralded in terms of glowing eulogy it was somewhat of a disappointment to find court at Omaha against the Union Pa- rial and an ability to interpret which only a singer with very moderate vocal mateoccasionally rose above the mediocre. To avoid detail it might suffice to say that terstate Commerce commission against the Mr. Hall's voice, while of a very good quality, often suffers from tack of clearness and purity, and his delivery wants spontaneity. His readings, in many cases, do not ring true-in other words, they are not convincing, not to say inartistic. Mr. Hall's facial expression, moreover, are hardly such as to enhance the general effect of his performance.
