Children and Pimples

Seem To Go Together And Yet Few Parents Fully Appreciate The Warning.

At the age of puberty most children are afflicted with pimples and many with serious skin eruptions.

At this particular period in a child's existence nature is going through a transition which is of vital importance to the child and the parent.

Pimples on the face of a child removed by Stuart's Calcium Water.

The organs of the child all become larger. The skin begins to grow faster, the glands and cells of the skin appear more numerous and larger.

Impurities occur in the system and become more of the blood and are thrown off usually from the face in the form of pimples.

Mothers should absolutely guard the child against serious blood impurity at this time. Our grandmothers used sassafras, sassafras root, cream of tartar and sugar every spring.

These simple remedies did a great deal for the child. They are hard to find now and do not give the same powerful and beneficial blood purifier to be Calcium Water.

Stuart's Calcium Water are prepared after the most modern method of concentrating the full strength of Calcium Chloride to the blood.

They are hard to find now and do not give the same powerful and beneficial blood purifier to be Calcium Water.

Stuart's Calcium Water should be in every household, and used by the parent for the benefit of the child.

HALF-MINUTE STORE TALK A publisher in another city had a small newspaper cut of ours—we wrote for it. He cut the letter head with our trade name imprint.

King-Swanson Co. The Home of Quality Clothes.

wrapped the cut in it and mailed it to us, but he forgot to print our postoffice address, Omaha, Neb., on it—however, it was delivered to us without delay. It would take some time to get as well acquainted with Uncle Sam and his faithful employes as this store is after 25 weeks of clothes selling—since like everyone knows about the home of quality clothes.

SHOULD REMEMBER This is the only store in Omaha where they can go and see an entire new stock of spring clothes without being confronted with "carried-overs" from previous spring stocks—and this assortment is double what you'll find elsewhere.

NOT READY TO BUY, YOU SAY? Makes No Difference to Us.

Come right in, you'll want clothes later.
