Avenue Building.

One for an Addition to Twentieth

OTHER FOR NEW WARD SCHOOL

People in Tleinity of Old High School Take Janue with Members of Board on Necessity of the Latter.

Indications are that the two propositions to levy taxes for the erection of an addition to the Twentieth avenue school and to erect a ward school on the old high where site on High School avenue will carry at the school election inday.

It is generally conceded that with the rapidly increasing growth of the southern part of the ofte un addition is needed at the Twentieth avenue school in order that saie on the eighth grade may be established in

The proposation which will be submitted to the viriest immores is to levy a tax of Bases for the purpose of building four additional rooms to the Twentieth avenue school.

Advocate of the levying of a tax of \$15.00 for a word school on the grounds of the board are mistaken when they assent there is no need for such a school in that section of the city and will not for a further in which the lower grades shall be required in that a section of the room of the sound are children in which the lower grades shall be taught be required in that a section of the proposition. The futeral of the late Amos B. Beyonds are children in which the lower grades shall be taught be required in that poighbord. There are at present 20 children in which the lower grades shall be taught be required in that poighbord. There are at present 20 children in which the lower grades shall be taught be required in that poighbord. There are at present 20 children in which the lower grades had been borded. There are at present 20 children in which the lower grades had been borded. There are at present 20 children in which the lower grades had been borded. There are at present 20 children in which the lower grades have been borded. There are at present 20 children in between 5 and 8 years of age living on Gien avenue. Park avenue, Buff street, Pourth street and that immediate vicinity which are now compelled to go to the bidoner or Washington avenue school. The old high school selection for the children of the section for the children of the se

NOTE OF ALARM FROM BERLIN Westphalian Canette Tella Government United States is Preparing to Annex Liberia.

BERLIN. March 1.-The proposal made Washington to send a special commisgion out to Liberia to investigate and report on conditions there has aroused suspicion in some German trading circles as to whether the United States does not meditate the ultimate annexation of this republic after first assuming a protectorate over it. The Rhenish Westphalian Gapette, which represents manufacturing and commercial interests, goes at length into the subject. It alludes to what it calls the American policy of conquest, and warns the German government to be watchful The Foreign office has been fully informed of the conditions that led to the sending out of this American commission.

north of Lander, this evening. To the efforts of Russell Thorp of Lusk, Wyo., is due the credit of bringing in the first producing oil well on the Shortwee Indian reservation. Associated with Mr. Thorp are Gould Dietz, a well known Omaha capitalist; E. J. Uthlein of Chicago and J. E. Moore, jr., of Fort Washakis Off men through the country have been watching the development by this company with the keenest interest and now that a producer has been developed it will mean the interesting of large capital and develop ment is already under way, as Los Angeles, Washington and New York men have me-

chinery on their various beares. Rev. Joseph H. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain to days unable to get up without ambiance and I passed same frequently day and

became normal. I cheerfully recom
