GOING INTO GOVERNOR'S RECORD

Senator Myers Wants to Know About His Ability as Banker.

(From A Staff Correspondent.) LINCOLN, March 11 -(Special.)-An investigation of the ability of Governor A. C. Shallenberger as a banker and his skill in the management of a state financial insti-

The resolution carries to a further length a sentiment expressed by some members of tise house who, when the bill was under dehate questioned whether it was the best policy to enact a law that made the chief executive of the state the sole power to

saminers, together with their appointment. Against this provision there was strong opposition even an the democratic banking committee that dr fled the bill. One of the enders in this our skip esentative Victor un y, who was at one and of the state. It is For said that Mr. W ison how had the duty of looking into many of the banks of the South Platte territory. Mr. Wilson's opposition to what he termed the "spolls" feature of the banking bill was so emphatic that he at one For the organization of drainage districts time declined to allow his name to go on in two or more countles. the measure, and when the bill was intro-

having secured nearly avery amendment to banking law out of politics. Fellowing is the resolution of Senator Myers, which was laid over a day under

Whereas, H. R. 423, the proposed law creating a new and untried system of bank supervision and control and guar-anty of deposits, places enormous re-sponsibility upon the governor of Ne-branka and

Whereas. The responsibility placed the governor by this measure is of upon the governor by this measure is of such a character as to render it imperative that the individual exercising this authority shall be beyond question a man, of broad experience in the banking business, with a record as a safe and conservative banker; and,

charged with the supervision of the state in the measure that the bill would de Whereas. A matter of such vital im-

portance affecting so closely the pros-perity and well being of the business in-terests of all of the people of the state should not be left in the zone of doubt, subject to the rumors circulated by un-friendly critics or based alone upon the friendly approval of personal or party triends, but should be determined by an official ascertainment of the actual facts; and

and.
Whereas, A report of the banking record of the present state executive, who will direct the administration of this law, will, if shown to be sound and conservative, greatly strengthen the confidence of the people in this enactment; therefore, be it

be it Resolved. That a committee of seven of this senate be selected by the presidnt of the senate, with power to call for any records of the State Banking board, to report upon the banking record of the governor of Nebraska, as shown by his reports as a banker rendered to the said board, with a view to eliminating doubt as to the wisdom of entrusting the exceptional powers conferred by this bill upon him.

MAKING REVENUE LAW PLAINER

Clear Definition of "Average Capital of Grain Men." (From a Staff Correspondent.)

LINCOLN, March 11 .- (Special.)-The sen ate today in committee of the whole agreed to a bill by Tibbets of Adams county in which an effort is made to clear any doubt that may exist as to the intent of taxation of grain brokers. There has been much difference of opinion as to what is until the supreme court held differently, declaring they could not be made to pay taxes on the average amount of grain on hand during the year because when the asbill reads as follows:

the management of a state financial institution to the end that it may be determined whether it is feasible to enact a bank guaranty law conferring so much power upon the chief executive as the proposed measure now in the hands of the senate banking committee does, is demanded in a resolution introduced in the senate today by Senator Myers of Rock county, a republican.

The resolution carries to a further length of the senate of the senate in the senate is further length. gible property" shall not apply to or in-clude grain on hand. "Average capital" shall include all grain purchased during the year whether the same has been sold or is still on hand at the time of assessment.

ROUTINE PROCEEDINGS OF SENATE

The bilt gives the governor the control of Senate Passes Several Bills and Kills Some More.

(From a Staff Correspondent.) LINCOLN, March 11 .- (Special.)-The senate today passed the following bills: H. R. 60, by Gates of Sarpy—Permitting saloons near Fort Crook. Vote, 17 to 15.
S. F. 272, by Committee on Highways—For the appointment of a county overseer of highways by the county board to have charge of all highway work.
S. F. 191, by Brown of Lancaster—Permitting a bond for support of a family in cases of prosecution for describing before trial.
S. F. 241, by the Committee on Drainage—For the organization of drainage districts

The senate advanced to the head of the duced it did not carry his name, although general file the Howell bill, S. F. 225, to

since then he has consented to have it atprevent writing of overhead insurance. tached together with that of Senator Volpp. In committee of the whole the senate recommended to pass H. R. 357, by Hospodsky the bill he desired save the one taking the of Saline, appropriating \$5,000 for a new barn and \$5,000 for horses and equipment of the barn at the boys' industrial school at Kearney. Senator Tibbets sought to cut down the appropriations, but failed.

On reports of standing committees the senate indefinitely postponed S. F. 362, by Bartos of Saline, providing the publication of a retraction shall be a valid defense against prosecution for libel and also H. R. 107, by Boyd of Hamilton, that would have prevented recovery of insurance policies of fraternal societies in cases of suicide.

The Brown-Wiltse-King bill, S. F. 174, providing new procedure with respect to whereas. The present executive of Nebraska has in the past been engaged in
the banking business in this state and his
experiance as a banker is of record in
the official department of the state,
charged with the supervision of the state.
The measure was stracked by Senator Ranbanks; and

(Continued from First Page)

of the anthracite mine workers and not as support their refusal to deal with the United Mine Workers

"At the end of the discussion the operators made the definite proposition to renew the present agreement for a term of three

The present agreement made in New York three years ago, when John Mitchell led the miners in the negotiations, is identical with the award of the strike comission nade in 1903 after the strike of 1902. Three years ago the miners made numerous demands, but all were rejected and they accepted the renewal of the strike commission award, which is the same proposition again made by the operators today.

Demands of Miners. The demands of mine workers, drafted in Scranton last October and ratified by the national convention in Indianapolis in Jan-

uary are as follows:

I. That an agreement shall be negotiated between the representatives of the miners and the operators of the anthracite region and all disputes arising under the contract shall be adjusted as provided for in the said agreement.

2. We demand the complete recognition in the United Mine Workers of America as a party to negotiations in wage contract, and the United Mine Workers of America shall be recognized in its right to provide any method we may adopt for the collection of revenue for the organization.

for the collection of revenue for the organization.

3. That we demand an eight-hour day,
with no reduction in wages.

4. That all coal shall be mined and
paid for by the ton of 2,000 pounds.

5. That we demand a definite and more
uniform scale of wages and prices for all
classes of labor at all colleries in the
anthracite region, and that all employes
paid \$1.50 or less per day shall receive
10 per cent advance and all employes paid
more than \$1.50 and less than \$2 per day
shall receive a 5 per cent advance.

6. That the system whereby a contract
miner has more than one job or employs
more than two laborers be abolished.

7. That the employers be required to
issue uniform pay statements, designating
the name of the company, the name of
the employe, the colliery where employed, the amount of wages and the class
of work performed.

the contract shall be made for

period of one year. So far as could be learned today, a majority of the miners are opposed to a strike because they feel that they are work. not strongly enough entrenched to carry on a campaign of the magnitude of that of 1902 and 1902
