Two Pairs of "Knickers" with Boys' Suits Here

TWO pairs because the average boy puts TWO pairs out of commission while his coat remains almost "good as new."

TWO pairs when the suit is BOUGHT, because it is often IMPOSSIBLE to reorder an extra pair after the season is ON.

It's our OWN idea—every Norfolk and single or double breasted jacket suit in the house DOUBLY EQUIPPED with "Knickers."

And SUCH suits—manly; compelling; smartly cut styles—the coats with long lapels and fancy flapped pockets, "just like men's", and the trousers LINED to give them shape and extra added life.

Yes; the same "dip" front coats; the same homeopons, tweeds and velours demanded by GROWN-UPS this season, are here for boys, in sizes 6 to 17 years.

Trousers have straps for belt, and DON'T forget—TWO pairs with each suit. Omaha hasn't another such a showing at

WOULDN'T GO BACK TO OLD DAYS OF COFFEE TROUBLES.

Stodious, sedentary habits are apt to cause indigestion, dyspepsia, nervous headache, etc., but often it's the daily use of coffee that is at the bottom of the whole trouble, and it is surprising how quickly these troubles disappear when coffee is dropped and well-made Postum is the daily beverage.

A No. Dak. minister, writes of the relief obtained when he changed from coffee to Postum. He says: "I began using Postum about a year ago while stopping at the home of friends during the absence of my wife."

"It seemed almost providential, for during that time I got rid of coffee and its attendant ills. I used to have bilious attacks about every two weeks that completely used me up for a day or two at a time."

"I did not suspect coffee and was unable to account for these attacks. Since I began Postum I have had but one slight attack and the change to restored health is most acceptable."

"My wife declared on her return that nothing would induce her to give up coffee, but after a few careful preparations of Postum, according to directions on pkg., she thought it was superior to coffee in flavor, and now we would not change back to coffee."

"We feel we owe a debt of gratitude to Postum which has done so much for all of us—children and older ones."

Name given by Postum Co., Battle Creek, Mich. Read "The Road to Wellville," in pkg. "There's a Reason."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.
