RESOLVED. THAT A DACHSHUND LOOKS LIKE SOMETHING TRYING TO STRETCH ITSELF INTO TO-MORROW. NOW TO-MORROW MAY NEVER COME, SO DON'T WORRY ABOUT WHETHER THE DOG ARRIVES THERE OR NOT. WORRY IS THE STEPPING STONE TO A SHORTER LIFE AND A FIRST COUSIN OF WRINKLES. IT IS BOUND TO MAKE YOU A PESSIMISTIC VICTIM OF THE UNIVERSE UNLESS YOU GRAB OPTIMISM AND ANCHOR IN ITS HARBOR. EVER NOTICE THE OPTIMISTIC FELLOW? HE'S BRIGHT, CHEERY AND HEALTHY AND LIKE A MAGNET, DRAWS THE PESSIMISTIC FELLOW LOOKS LIKE A WEEPING WILLOW AND GIVES YOU THE 'WILLIES' LIFE IS TOO SHORT TO WORRY. FOR WORRY NEVER ALTERS THAT WHICH IS. LET THE OTHER FELLOW DO THE WORRYING AND LIKE EVERETT HALE'S SAYING, "TO LOOK UP AND NOT DOWN, TO LOOK FORWARD AND NOT BACK, TO LOOK OUTWARD AND NOT IN AND TO LEND A HAND." HANDS UP!
