But it was Larry Foley who taught Griffo, and Foley got it all from Mace. There was Jem Hall, the eleverest big man I've ever seen since Mace was in active service. Why, whenever Hall boxed an exhibition with Cheynski he shot out his left to Joe's juw so cleverly that the Californian was often dazed and Hall had to hold him up in clinches until he got his head clear. Still Choynski got the credit of beating Hail at Maspeth when they were supposed to fight for keeps. This was Hall's game, never to win a fight when he could make more by losing one. Hall in his prime could have outpointed Corbett or McCoy, and that's saying a great deal. I really believe Hall could have won from Fitzeimmons at New Orleans in 1882 if Jem had been on the square. CURED OF CATARRE.

Dear Sire:—At the age of five years I contracted a bad case of Catarrh. It began with a profuse watery discharge from my nose. The matter falling into my throat kept me constantly hawking and spitting, and my breath, tee, was fearfully offensive, but S. S. S. has cured me sound and well of the Catarrh and I cheerfully recommend it to the nublic.

when I began taking S. S. S. it was for another disease which the doctor called Tuberculesis of the hone, and since I began the use of your remody, S. S. S., frair of the five tubercles have healed and I feel as well as I ever did in my life.
