"Uncle Charles" Perry 92 Years Young

MR. S. C. PERRY, Age 92.

Mr. Samuel Charles Perry, of Lockport, N. Y., who is 92 years old and a bachelor, retains all his faculties to a remarkable degree. He is as active and vigorous as he was twenty years ago. Recently, when celebrating his 92d birthday, he entertained his friends by playing on the violin, which he has owned for over sixty years, many old-time pieces.

For many years Mr. Perry has been prominent in business and politics. In his old age he finds Duffy's Pure Malt Whiskey indispensable, and the only medicine to which his vigor is due, he says that it has no equal.

Mr. Perry writes: "The vitality and usefulness of my powers, which I have preserved through a long life up to the age of ninety-two, I attribute partly to moderation in all things, partly to an indisposition to worry and partly to my natural abhorrence of all kinds of drugs."

"In my extreme old age I am exercising the same discretion, with but the one exception that I find Duffy's Pure Malt Whiskey an indispensable medicine. As a tonic and general preserver of health in old age I believe that it has no equal."

Every testimonial is guaranteed genuine and is published in good faith with full consent. Mr. Perry's case is similar to that of thousands of others, both aged men and women, who have been kept hale, hearty and vigorous by the constant use of Duffy's Pure Malt Whiskey as a medicine. It is a predigested food which has a stimulating and tonic effect upon the system. It builds nerve tissues, prevents decay and keeps the entire system in a normal, healthy condition.
