DO YOU WANT YOUR MONEY TO WORK FOR YOU? We have land in Nowata county. Okiahoma, that we will sell you on very reasonable terms in tracts of 40, 80 or 199 acres, at prices ranging from 319 to 325 per acre, and then we have some tracts of 1,000 acres of more; for instance, "p have one tract of 1,050 acres that " will sell you for 25 per acre. Now a county is only 21 miles wide and 25 miles long, has 4,500 flowing oil wells producing over 100,000 barrels of cil daily; hence, you can see that in buying this land you not only get a farm that will raise anything, except tropical crope, but you may get an oil or gas well, too, as gas is so plentiful that it is selling at 2c per 1,000 cubic feet. There, is a reason for these low prices. It is Indian land that the government has not permitted them to sell. Looks big, don't it? But it is true. Let us tell you about it. It will be worth while.

Omaha's managed to eventually outplay and out-

Rallying strongly in the second half, the were far enough behind to allow Omaha quintet to keep in the lead, although the original ratio between the two scores was cut in two. In their ability to come back strong on a winning opponent, the Missourlans showed the same characteristic that was a feature of their match Friday night with Lincoln, when they were also beaten.

Differences Over Rules. Even with their own coach as referee the St. Joe players lost, Coach Hammett, who held the most authoritative place in the match, is undoubtedly an expert baskets ball man, and holds an enviable reputation for his coaching and officiating abilities. However, his proteges received some slight help in last night's contest from him, although he rendered it unconsciously. The mere fact that he was used to their style of play, which differed in many points from that of the locals, gave them an advantage. His interpretation of "arms around" was unlike that of the Omahans and they suffered some as a result.

The play was more in Omaha's territory than at the other end of the floor, and whenever the ball did escape from the watchful grasp of the forwards of the purple and white Omaha's guards were generally on hand to rescue it. When they didn't St. Joe sometimes missed fine chances to cop some points.

The locals, with Captain Carrier doing the work, greatly excelled the Missourians in throwing goals on fouls, the latter being shown some neat work in that line. They also had more than one shot at the basket a couple of times, when cheers from

a Hot Run for Home. Both the Brodegaard Crowns and the Birmingham Rangers won their entire series last week, leaving them in the same relative position to each other and making the pennant race in the Commercial Bowling league most exciting. The Rangers will now have to win nine out of the next twelve games to tie the leaders in the race. The players on the Rangers' team say they expect to catch up with the procession and play off the twelve games they are behind if possible.
