

BRANDEIS BOSTON STORE & SONS

To Our Thousands of Patrons and Friends Throughout the West We Announce

OUR ANNUAL Spring Opening

Week Beginning Monday, March Twenty-Ninth, Nineteen Hundred and Nine

A FORMAL PRESENTATION

By the acknowledged style center of the west of the Authentic Spring Styles in Women's Ready-to-wear Suits, Costumes, Dresses, Coats, Millinery, Separate Waists, Fabrics and Furnishings

To do justice to a style event of such importance Brandeis stores will be magnificently decorated. The interior of the stores will be decked to represent a scene in

Gardens of Ancient Rome

The entire store will be a maze of green relieved with apple blossoms and dogwood flowers. Groups of statues in old ivory and a Roman frieze of old ivory will add touches of artistic beauty. The window displays will be carried out on a brilliant scale.

The opening will be an event of rare beauty. We extend a cordial invitation for yourself and your friends to be our guests on this occasion.

PUT THE ANXIETY OF MOVING ON US.

The transportation of your household goods either to another city or to and from points within the city, can be robbed of most of its worries and anxieties by entrusting the whole matter to us.

We pack, deliver or forward goods carefully, conscientiously. The responsibility and care of your things is not in doubtful hands. A trained organization is attending to every detail; acting through tried, discreet men.

Moving, for you, becomes merely unsettling in one place and settling in the new, with all the bothers and cares that come between shouldered by us. Women appreciate this comfort.

We move or store household goods, forward to distant points, attending carefully to freight charges, routing, etc., guaranteeing efficiency and economy.
