OTHER REMARKABLE CASES.

Mr Jacob I. Davis, Galena, Stone county, Mo., writes: "I have been in bad health for thirty-seven years, and after taking twelve bottles of your Peruna I am cured." Mr. C. N. Peterson, 132 South Main St., Council Bluffs, Iowa, writes: "I cannot tell you how much good Peruna has done me. Commant confinement in my store began to tell on my health, and I felt that I was gradually breaking down. I tried several remedies, but obtained no permanent relief until I took Peruna. I felt better immediately, and five bottles restored me to complete health." A SINCERE RECOMMENDATION.

Mr. D. C. Prosser, Bravo. Allegan Co., Mich., writes: "Two years ago I was badly afflicted with catarrh of the stomach. I had had a run of typhoid fever, was very depleted. I could find nothing I could eat without causing distress and sour stomach. Finally I came to the conclusion that I had catarrh of the stomach and seeing Peruna advertised, began to take it. It helped me soon, and after taking three or four bottles I was entirely cured of stomach trouble, and can now eat anything."

### REDICK GIVES JIM VICTORY

District Judge Sustains Appointment of Dahlman Election Officers.

OTHERS NOT ALLOWED TO SERVE

Court Holds that Primary Law Rule Does Not Apply to Any Beside the General November Elections.

Mayor Dahlman and his democratic city council were sustained in their appointment and confirmation of judges and clerks for the primary election by Judge Redick, of the district court, in an oph handed down Saturday

Immediately upon the announcement of the opinion the city clerk began sending by registered mail to each, of the three judges and two clerks appointed in each of the fifty-four precincis notification their appointment to serve Tuesday. Under the court's ruling the regular judges and clerks appointed by the clerk of the district court will not be allowed to serve in the primary election.

Judge Redick contends that the rule if the primary law does not extend to elections other than the regular Nevember elections and quotes the charter as giving the council power to provide by ordinance for the election of city officials, which has been done.

"No complaint is made of the character. nor methods of selection, of the appointees in question," said the judge in his decision, "and the restraining order is denied." After citing facts presented in the case. Judge Redick sums up his opinion as

follows:

Construing Section 117 as a whole and in connection with Section 17 to which differed in the section with Section 17 to which differed in the section with the section of the se which furnishes a rule of selection from lists prepared by the central committee of each party and reads: "That the clerk shall appoint as judges and clerks for all general work or special county or precinct elections" etc., making no reference to

"I'll tell Colonel Marshall what I'll do. He is a very rich man, but I have never known of his giving one cent to charity. Now he can either buy chips in the game or throw his cards on the table. He is too small fry to bother with unless by fooling with him I can get some money for a worthy cause, and I will prove what I said about him if he will agree to give this \$1,000 and thus make the game worth the candle."

Thusly is the gauntlet thrown down to Colonel B. F. Marshall, president of the Jack club, by Mayor Dahlman, hero of the Jim club, the two leaders of the has mony brigade of the local democracy.
