Kids from Stage Entertain Waif Institute Tots

They Will Solicit Funds to Help in Erecting New Child Saving Home.

When the Gus Edwards' kids, now playing at the Orpheum in "School Days," leave Omaha it will be with the feeling that they have not only entertained part of Omaha's population, but have done the city some real good.

They visited the Child Saving Institute at Eighteenth and Ohio street Tuesday morning, entertained the little ones—and incidentally the big ones, too—and after making a tour of inspection of the place were so impressed with the worth of the cause and the immediate need of a new building that the girls, at least, are going to devote their spare time while here in soliciting pledges to the building fund.

CUTICURA CURED HIS SORE EYES

When 63 Years Old Eye-Balls and Lids Became Terribly Inflamed—Was Unable to Go About—Home Remedies and Professional Treatment were Equally Unsuccessful.

TOOK FRIEND'S ADVICE: HAS NO MORE TROUBLE

"About two years ago my eyes got in such a condition that I was unable to do about anything. My eyes were inflamed, both the balls and lids. I tried home remedies without relief. Then I decided to go to my family physician, but he didn't help them. Then I tried two more of our most prominent physicians, but my eyes grew continually worse. At this time a friend of mine advised me to try Cuticura Ointment, and after using it about one week my eyes were considerably improved and in two weeks they were almost well. They have never given me any trouble since. I was then sixty-three years old and am now sixty-five. My eyes are as good as when I was cured. I have never had a word of praise for the Cuticura Remedies when I have an opportunity, and I trust that this letter may be the means of others being cured as I have been. G. B. Halsey, Mouth of Wilson, Grayson Co., Va., Apr. 4, 1908."

SKINS ON FIRE

With Torturing, Disfiguring Eczemas, Rash. And other itching, burning, bleeding, scaly and crusty skin and scalp humors are instantly relieved, and speedily cured, in the majority of cases, by warm baths with Cuticura Soap, a cleansing with Cuticura Ointment, purest and sweetest of emollients to soothe and heal the skin, and mild doses of Cuticura Resolvent (liquid or pills), to purify the blood. Guaranteed absolutely pure and may be used from the hour of birth.

THREE MAYOR CANDIDATES VOTE AT SAME POLLING PLACE

Dahlman, Berryman and Breen Shifted from Razors to Combs. Corn cobs are less harmful than razors. This is a positive fact, but whether this fact was the cause of changing the polling place in the Second precinct of the Seventh ward is not known. The fact remains, however, that the polling place in the precinct where three of the eight candidates for mayor cast their ballots was changed from a barber shop to a comb store.

SHORT TERM BRINGS SOBS. SEVEN YEARS NOT A WHIMPER

Amount of Emotion Displayed Varied Inversely with Severity of Sentences. The amount of emotion displayed by criminals about to be sentenced sometimes varies inversely with the severity of the sentence to be expected. Claude Welmer and Ellice Bogdanovic furnished an example of this Tuesday morning before Judge Sears, the latter receiving an imposition of seven years without a whimper and Welmer displaying greater emotion at a two-year penalty than men ordered to stretch hemp.

BIDS TO FINISH BRANDEIS THEATER EXCAVATION ASKED

Proposals Will Soon Be Called For and Work Resumed with. Architect John Latenser is preparing to call for bids for completing the excavation for the Brandeis theater and office building to be erected at Seventeenth and Douglas streets. The work will begin within a short time. Letting of building contracts will follow.

AD CLUB FAVORS HOSPITAL

Endorses Orthopedic Institute and Forwards Resolutions to Governor Shallenberger. After hearing an address by Dr. A. B. Somers on the work of orthopedic hospitals, the Omaha Ad club passed resolutions Tuesday in an executive session, urging that the house of representatives of the Nebraska legislature approve the appropriation of \$20,000 to buy a site in Omaha for such a hospital.

New Freight Depot for the Burlington

Building Will Be Erected in Omaha to Meet Needs of the Company.

The Burlington is again preparing to build its new freight depot in Omaha. For years the present quarters have been inadequate and a couple of years ago plans were drawn for an improved depot which would facilitate the handling of the Burlington's Omaha business. Everything was in readiness for the building of the depot two years ago, when the financial depression stopped the move, as it did all new improvements on western roads. It was thought in some quarters that the Burlington was securing the land on its main line west of Eleventh street for a new freight depot, but this is said to be erroneous.

Supposed Dead Man Walks Into Home of Grieving Family

Henry Bethers, Whom Folks Thought They Buried, Says He Has Never Been Dead. If you had buried a body you supposed to be that of your son or brother, had mourned his death for weeks and then been confronted by him as he walked, hale and hearty, into your home, what would you do?

Mr. and Mrs. Z. Bethers and family, 146 Sixteenth avenue, Council Bluffs, have had this experience. Henry Bethers, son of this couple, was supposed to have been buried by the family in its lot at the Fairview cemetery, Council Bluffs, weeks ago. Monday he walked boldly into his home, and the relatives were all but overcome by his appearance. When finally they were able to bring themselves to believe it to be Henry Bethers, the members of the family were plunged as deeply into ecstasies as they had been in grief and it was a reunion seldom seen and never to be forgotten.
