The Boy! what about his feet?

We know that he is hard on his shoes—but a great deal of the poor wear he gets comes from lack of knowledge in fitting as well as the poor quality of shoes. Perfect fitting not only means wear, but comfort when he has grown up.

For Quality

We offer our celebrated steel shod shoes—shoes that have stood the test and are now no exception—selected quality of leather put together and made by the best shoemakers in the world.

The factory and a Drexel guarantee back of each pair.
