Lieff "Mode"
It's Worth Seeking

One can detect the "Tailor-made" lady at a glance, isn't it?

There's a deft something about the "makeup"—the finishing touches—the general air of garments worn by those who seek the custom tailor in place of ready-made counters.

And "Lieff's" product excels even that of MOST ladies' tailors.

There are a host of new fabrics—new ideas in fashioning—new ways of fitting properly—awaiting you at
