CHAMPS TRIM ALL-STARS

Millers Bite Dust in Last of Omaha Series.

PITCHERS SHOW GOOD CONTROL

Attempts of Collins' Men to Come With Rush from Behind not so Successful as on Day Previous.

Jimmy Collins' all-stars did not have their horses with them and consequently did not pull up from behind in the last inning Thursday, but lost the game to the Rourke family by the close score of 2 to 1. The game was remarkably full of ginger for so early in the season.

Roy Patterson, for years the boy wonder of the American league, was in the points at the start and off his hands the Omaha recruits made enough runs to win. He worked for four innings and while Omaha made two runs the Millers were not able to do likewise from the three new pitchers Manager Rourke has added to his staff this spring. Jarrott, Johns and Rice pitched splendid ball and the only Millers who could connect safely at all were O'Neill and Edmundo, who hit in the pinch for Oberlin. O'Neill had on his batting clothes and eluded safety every time he came up, making two singles and a double. Edmundo made a double and a single.

The Millers made their only run and took the lead in the initial inning. Oyster walked and Red Downs sacrificed him to second. He scored on O'Neill's single. Although Edmundo followed with a double O'Neill did not get beyond third base, Mertens and Collins hitting to the infield.

Omaha made its first run in the second inning on two hits and an error. Pender, the little third sacker, left off with a double to left field, just out of the reach of O'Neill. Kid LeBrand followed with a safe bunt, beating the ball easily, but a wild throw by Patterson let Pender score.

The winning run was scored by the Rourke family in the third inning on two singles, an error and a sacrifice bunt. Fisher started the fun with a clean hit to right and went to second on Wheeler's error. He went to third on King's infield out and scored when Vaabinder hit a long foul down the right field line. Mertens caught the ball after a hard run, but could not return it to the plate in time to stop Fisher's rush from third. Welch followed with a single, Pender walked, but LeBrand fouled out.

Effort in Third Falls. Minneapolis made a strenuous effort to tie the score in the third inning, but fell short. With one out O'Neill doubled. Edmundo singled, but O'Neill could get no farther than third on the hit. Mertens bunted and O'Neill was caught at the plate. Collins was out on an infield hit.

In the fourth inning another strong pull was made by the Millers to tie the game, but again was sufficient steam looting. Pender was asked to doff his long outer plating enough to hit in the place of Moore. "Pick" tipped a foul, which the pitcher nailed between home and first. Block was then asked to hit for Oberlin and he was more successful than Ollie. He stung the ball for a single, but that was as far as he could go as neither Oyster nor Downs could knock the ball off the soiled diamond.

Captain Franck tried out three of his new pitchers and the Millers all looked alike to them, except O'Neill and Edmundo, who insisted on hitting any kind of shoggs and curves which came along. Jarrott, former star of the Western league, who has been out of the game for a couple of years with a bad arm, showed returning form and pitched nice ball for four innings. Johns, the big showpaw, who looks like Jack Preister, worked two innings, and O'Neill's single was the only hit made off his punning delivery. Rice, the college pitcher, pitched the twister during the last two innings and Block's pinch hit was the only accident which befell him.

The Rourke family will lay off Friday. Saturday Comiskey's White Sox Yankigans will come for two games, and the entire Rourke family is hoping the weather gods will let loose a little warmth for these games.

Lincoln, April 8.—(Special Telegram.)—The Chicago White Sox Yankigans, with the perils Harry White on the slab, shut out Lincoln today by a score of 2 to 0. The Sox had better success than the greenbacks in bunting their hits, and batted in two of their runs. Bennett's wildness gave the visitors their only tally.

Hockenbery gave an impressive exhibition of pitching for Lincoln and fanned five of the Sox in four innings. Both teams played faultless ball in the field despite the chilly weather. Giambris, the Lincoln shortstop, accepted twelve chances without a skip. Purcell started at third for Lincoln. Chicago, 0 0 0 0 0 1 1 6-4 0 Lincoln, 0 0 0 0 0 0 0 0-0 0

Batters: White and Payne; Johnson, Hockenbery, Bennett, Hendrix, Sullivan and Mason.

MAJ CHASE IN THE PEST HOUSE New York First Baseman Has Varicoid and Whole Team Vaccinated.

AUGUSTA, Ga., April 8.—Hal Chase, the first baseman of the New York American league team, is in the pest house here with an attack of varicoid and the other members of the team are watching their arms and wondering if the vaccine virus will put them out of the game before the season opens. They were all vaccinated as soon as Chase's condition became known.

Business at Creston. CRESTON, Ia., April 8.—(Special.)—A business meeting of the Crest City Driving club was held last night and preliminary steps were taken to reorganize the enterprise. Secretary Leon Morrison is desirous of getting organized early in the season and to arrange for series of machine races at the fair grounds for the summer months. A running race was put on at the grounds yesterday afternoon and was witnessed by a good crowd and created quite an enthusiasm. The race was won by R. Webb's speedy 2-year-old "Miss Cozlet," owned by Gaze Bales of Des Moines, in which the Des Moines horse was the winner, coming under the wire in 36 seconds for the quarter mile.
