GOOD PIANOS

Like Anything Else Costs More Than Poor Ones

The poorest guide you can have in buying a piano is the price; because it doesn't represent quality at all, except that you know you can often get good quality for less than it costs. Very cheap pianos are usually much cheaper in what they are than in what you pay for them.

We are trying to educate the purchasing public to look FIRST for QUALITY and then for PRICE. The name HAYDEN BROS. stands for QUALITY in everything, as well as Pianos and we suggest that you investigate our pianos and our method of selling them before you fully decide.

Do you know that we insure your purchases? This is what our new selling plan amounts to. We insure you against buying a cheap inferior make piano or an unsatisfactory selection.

We Offer a Good Upright Piano for \$180

This piano is guaranteed for ten years and has every improvement that is found on the Highest Grade Pianos.

We will sell you any piano in our stock on small monthly payments.

If you want a good standard make second-hand piano for your little girl or boy to begin on you can find it in our
