### Special Demonstration and Sale

A special representation and expert corsetiere from the Gossard Co., will be in attendance. There are so many points of superiority about this front lace corset that every woman who takes any pride in keeping her figure should know about them. Stout women can attain the correct new figure easily and comfortably by choosing the right Gossard.

### THERE IS A GOSSARD MODEL FOR EVERY FIGURE

Every woman will find that this superior corset induces and fixes permanently the shapely habit back. The hips disappear and the figure takes on graceful lines.

Women, who a few years ago were contented with some one dollar corset and a poor figure, have learned that the best corset is none too good to bring out the best lines in every figure.

### Novelties in Jewelry

Scores of the most attractive new arrivals from our Paris office—the jewelry that will be most popular this summer. Buy the fads now while they are genuinely new. The prices are quite moderate.
