OUR SEMI-ANNUAL REMNANT CLEAN-UP DRESS GOODS

Tomorrow (Friday) we give you pick of all the short pieces from our regular dress goods stock at great price reductions. For several weeks we have been weeding out all remnants, odd pieces skirt and even dress lengths that have accumulated during the season's selling. We have held them back specially for this Friday sale so quantity would be big enough to make it an important event. It's our best regular stock of spring materials, understand. The fact that they are remnants proves them to be the most desirable and best selling goods we have had.

It's going to be the biggest Remnant Day ever, because values were never so big, quantities so large, nor materials so choice. There are plain and fancy fabrics, all 54-inch goods—lengths up to 7 yards. No piece will be cut, each is priced so much for the length.

- Here is the way you will find them:
- 2-yard pieces, plain or fancy goods, worth \$1.00 a yard, piece **50c**
- 3-yard pieces, plain or fancy goods, worth \$1 to \$1.50 yd., piece **80c**
- 3 1/2-yard pieces, plain or fancy goods, worth \$1.25 yard, piece **\$1.50**
- 4-yard length, plain or fancy goods, worth \$1 to \$1.39 yd., pc. **\$2.00**
