Wheat is \$1.29 a Bushel

This means that it costs the miller \$1.61 1/4 per sack to make. It takes 5 bushels of wheat to make 4 sacks of flour. We bought 10 carloads before the last advance and will give the people of Omaha the benefit of this purchase.

This telegram received from our piece-goods buyer, Mr. Nash, Tuesday, is self-explanatory. His letter claims great things for his purchase and we expect to be able to offer you some unusual bargains in a very short time. Watch papers.

POSTAL TELEGRAPH-CABLE COMPANY. NIGHT TELEGRAM. Several other buyers are now in eastern market centers and reports point toward sale values in the near future that will set a new mark in bargain giving in Omaha.
