CATURDAY is going to be a remarkably important day in the suit

as any women in America. To prove it we have secured for Saturday's

business over 1,000 suits all at \$25.00 that are marvels of tailoring art

and good taste. These suits were made to our special order after models

that have passed the most critical test of the best dressed women

fads, long since dead. Select any style you like best, we will show

you a complete range of colors and sizes. The fabrics too, are new

and different. It's the best assemblage of refined \$

genteel suits Omaha has seen this year. It's a real

treat for all who like dressy clothes. Most of them are actual
