Rourkes Have Marathan Run at Grand Island; Giants are Shut Out

OFF DAY FOR GRAND ISLAND

Omaha Leaguers Take Game from Them, 13 to 4.

PITCHING STAFF IN POOR FARM

Hall County Boys Allow Rourkes Thirteen Hits for Twenty-Two Bases, and One Wild Pitch Beside.

GRAND ISLAND, Neb., April 27.—(Special Telegram.)—Grand Island's pitchers not only allowed Pa Rourke's men thirteen hits for twenty-two bases, but gave four of them free transportation and sent five others to first by the "hit-in-the-slats" route. Of Grand Island's hits, five were made off Lower in the first three innings, and two off Hollenbeck, in the last. The weather was cold, but despite this fact a fairly good crowd was in attendance. OFF TO OPEN THE SEASON

Rourke Family Sails for Denver to Start the Season.

The players who want west Tuesday and who will constitute the playing team for Omaha this season are the same as given out by Rr. Rourke last week. In the band were Gonding, LeBrand, catchers; Lower, Rice, Johns, Sanders and Hollenbeck, pitchers; Kane, first base; Graham, second base; Pendry, third base; Franck, short stop; Fisher, left field; King, center field; Welsh, right field; Beiden, utility. Cadman will be added to the squad as soon as his injured foot recovers, but he will not be able to play ball till after the team returns home. Omaha opens the season on Thursday with Denver for three games; then goes to Pueblo, Topeka and Wichita before getting back to the home grounds.

Captain Franck on leaving said his men were in splendid condition for the opening. Fisher, who was rather fat, has worked off his weight, and is now down to within two pounds of what he ought to be. Harry Welsh is also down very nearly to summer form, and the others are in the finest fettle. Graham's bad knee, that kept him out of the game all last season, looks fine and is apparently as good as new. Kane, who came from Pittsburg yesterday, is in perfect condition, and is sure to be a favorite. Franck says he has a wonderful throwing arm. He is a left-hander and sends the ball across the diamond like a rifle shot. Pendry is making good at third, and with Graham in form at second, the infield will be as strong or stronger than it was last season. The outfield looks mighty good, and it is all up to the pitchers now. Of these, Lower and Johns are the best looking of the youngsters. Rice promises well, and Rourke has high hopes of his developing. Saunders is in good shape, and Hollenbeck is doing better than he did last season, so the prospect is really good along this line. When Cadman gets back into playing form Omaha will have a catching staff that can't be beaten in the Western.

Both Pa Rourke and Captain Franck were in good spirits last night when saying goodbye at the "smoke house" before going to bed. They expect to make a showing for Omaha on the trip. Rourke says the word from the other towns in the league is all encouraging. The new towns have lined up strong teams and the interest is high in both Topeka and Wichita. Sioux City is strong, and Des Moines has been greatly strengthened. Denver has a good team, and under Charley Jones' leadership the Grizzlies are expected to be contenders all the way. Pueblo is stronger than last year and is well supported financially, and Lincoln is showing up well, so the pennant race will likely be a beauty from the start.

NEBRASKA MAKES IT THREE

Missouri Falls to Recover and Loses Another Game.

LINCOLN, April 27.—(Special Telegram.)—Nebraska made it three out of four from Missouri, winning 3 to 2, in a loosely contested game at Antelope park this afternoon. The Cornhuskers played in improved form, but the visitors fielded poorly again and totaled ten errors, five of these being registered against the short stop and third baseman. The locals went through with only one bobble.

Hayden managed to do the pitching for the Missourians, a second time within two days, and held the Cornhuskers to three safe hits. He was in better form than on the previous day. For Nebraska, Mathers was allowed to occupy the slab. He was touched for only five safe singles. The visitors had no difficulty in solving Mathers' curves and pounded the ball out regularly, but the Cornhuskers backed up their twirler with brilliant support and kept the jabs from counting.

Cooke, in center, and Captain Baltzer at third, shone out in spectacular work. The little midget in the field accepted three difficult chances without a miss. The Nebraska leader nabbed two hot ones near the third base line and whipped them to first with speed and accuracy. Carroll, at catch, and Metcalf, short, showed up in some classy plays, too.

Nebraska started the scoring in the second half of the opening round. Cooke flew out on a fly to Graves. Baltzer and Carroll were passed to first. Hayden fumbled a hot grounder batted by Chaloupka and the bases were filled. Baltzer scored on a wild pitch. Clark hit the ball to short and Carroll crossed the pan before Gunleck could return the ball from first after Clark had been thrown out. Missouri scored in the third on two hits. Another tally was counted for the "show-me" men in the fifth. Four errors in the last of the third allowed the Cornhuskers to add four runs, to each the fifth, sixth and seventh they scored one run. CORBETT SAYS JEFF WILL WIN

Former Fighter Can't See that Negro Has Any Chance at All.

NEW YORK, April 27.—Jim Corbett does not see how Jack Johnson has any chance to defeat Jeffries.

"I can't say how long it will take for Jeffries to knock Johnson out," said Corbett, "for that depends on how long it will take Jeffries to catch him. Johnson may stand still with other fighters, but when he sees the big bear coming for him he'll run so fast he will burn his shoes. Jeffries is all right."

Corbett said he thought Ketchel had a good chance with Johnson.

PLANNING FOR GLIDDEN CARS

Markers Already Being Put in Place to Guide Tourists.

HASTINGS, Neb., April 27.—(Special.)—In the belief that the Glidden tour will be routed this way, from Omaha to Lincoln and thence to Denver, Stephen Schultz, dealer in automobiles, will in a few days begin placing markers along the Hastings road from Fairmont to a point near Holdrege. Markers have already been placed along the most desirable route from Denver east to a point a short distance this side of Holdrege and Lincoln automobile men will place markers from Fairmont to a point between Lincoln and Omaha.

This preparation is in anticipation of the early arrival of the pathfinder car for the Glidden tour, which is expected in Omaha within the next few days. Charles W. Spangler, manager of the Denver automobile club, passed through here Saturday enroute to Omaha to meet the Pathfinder car. He stopped at all of the larger cities between Denver and Omaha, including Hastings and Lincoln, and was able to arouse great interest in the forthcoming tour. Mr. Spangler reported that about 100 cars will be entered in the tour and that each car will contain an average of four persons. According to a provisional arrangement suggested by the Denver club, the Gliddenites will leave Omaha in the morning, after passing the night in that city, and arrive here late in the afternoon. This will permit stops in Lincoln and several other towns. The car which is now laying out the route will be returned to Detroit to lead the tour. It will be closely followed by the confetti car and these two will be followed about two hours later by the Glidden tourists.
