Brennan outpitched both Freeman and Starr, while Hughes' three-base hit, with the bases full, won the game for the locals. Both teams played good ball, considering the fact that a forty-mile gale was blowing throughout the game. The weather was perfect during the forenoon, but just before Umpire Jack Haskell called "Playbail," the wind arose and made life miserable for players and spectators.

The game was preceded by an automobile parade, headed by Mayor Davidson and President Tip O'Neill, in which nearly 200 machines took part. Aside from the pitching of Brennan and the opportune hitting of Hughes, the game was featureless. Three thousand people were in attendance. Score:

Burlington Service Will Help Omaha

LATE TRAIN AFTER THEATERS

Will Enable People Living Out in the State to Remain in the City All Afternoon and

Omaha will be greatly benefitted by the important changes in time and additional train service the Burlington will put in effect May 23.

Foremost in importance is the new train from Omaha to Denver, leaving Omaha at 11:50 p. m. and making a new train for the people of the South Platte country, so that visitors from this section to Omaha may attend the theaters and return the same night. Heretofore these people have been forced to leave Omaha at 4:10 in the afternoon or stay all night, as the train which left Omaha at midnight only ran west as far as Lincoln and then continued to the northwest over the Billings line.

Another train for which the people living at Lincoln and intermediate points have been clamoring is the new evening train between Omaha and Lincoln. This train is No. 22, the skidoo train, and leaves Omaha at 7:25 p. m. This will be a great accommodation to those desiring to spend the

afternoon and dinner hour in Omaha. Burlington train No. 1 will hereafter leave Chicago at 4:50 p. m. and leave Lincoln at :35 a. m., or about three hours later than at present and make a destrable morning train west from Lincoln.

A new Denver-Chicago train will leave Denver at 9:30 a. m. and arrive at Chicago at 4:30 the next afternoon. As this trait would pass through Omaha about 3 a. m it will be run over the Plattsmouth cut-off The Denver-Omaha train No. 5 will bring in the western travel to Omaha and will
