## Our Annual May Sale Opens Tomorrow

The unsettled state of the wholesale trade of America has created conditions that compel jobbers and manufacturers to force sales at any cost. We bought heavily of Silks, Muslin Underwear, Silks, Dress Goods, Hosiery, Embroideries, White Goods, etc. We can say that the bargains we are now offering have not been equaled in years. Thrifty, wideawake people must realize that this is truly an important sale. Our advertisement today tells but sparingly of the hundreds of money-saving opportunities with which each floor abounds. Everywhere price placards proclaim alluring under-price offerings. Crowds will come. They always do. All Omaha and people for many miles around will find this the one big event of the year 1909.
