WICHITA TAKES FIVE IN A ROW

Kansans Nailed the Ball Hard and the Lincoln Experts Were Wild.

WICHITA, May 3.—Wichita won its fifth successive game today by defeating Lincoln. 10 to 2. Hard hitting by the locals and the wildness of the Lincoln team were the chief causes of the victory. Swalm pitched his first game for Wichita, and was wild, but effective with men on bases. Judge got his first hit of the season, and but for the hardest kind of luck would have had a couple more. Swalm received faultless support and held the visitors to three hits until he let down in the eighth and ninth innings after the game was safe. A one-handed catch of Waldron's line drive by Westerzil, and the batting of Roberts and Pennell were the features of the game. The weather was perfect. Score: the Lincoln Experts Were Wild. WICHITA

A. J. KUNESH KILLS HIMSELF Pinsterer Who Lived on South Twelfth Street Takes Poison Sunday Evening.

A. J. Kunesh, a plasterer, living at 1902 South Twelfth street, committed suicide by taking carbolic acid about 7:30 o'clock Sunday evening. About 5 o'clock yesterday afternoon he went to a drug store at Tenth and Hickory streets and purchased a bottle of the poison. He then went home and ate his supper and while his wife was washing the dishes he wrote the following note: OMAHA, Neb., May 2.—Dear Friends and All Whom It May Concern: I am-very sorry for going in this manaer, but I am obliged to do it. All I have, ruined. Please forgive me. A. I. Kunesh.

Within a few minutes his wife entered the room to find him lying on the couch in convulsions. The empty bottle las on the floor and the note was on the table, as was also the writing pad from which had been torn the sheet on which the note was written. Mrs. Kunesh at once telephoned for Dr.

J. A. Williams, but before he arrived her husband was dead. According to me wife there was no family trouble and the financial condition of the family was good, as Kunesh has had steady employment all spring. There were no children No cause can be assigned for the deed Kunesh seemed in unusually good solvits and had spent practically the entire day
