THREE THOUSAND WAISTS in a monstrous sale Saturday. Thank the long continued cold weather
for this greatest of all May Day waist sales. A manufacturer was "stuck"—his house was packed
with waists waiting for orders that didn't come—unload he must. Bennett's had been buying his
waists for years. Naturally he gave us the preference. He was forced to take the loss that now
results in your gain. In the above sketch seven of these beautiful waists are shown.
There are twenty styles in all, equally as good. Never saw better waists at \$2.00.
There are also Dutch necks and tailored styles—choice.....

Thousands of very fine waists \$1.00 to \$1.75 Underprice

We also bought an immense lot of the finer qualities. We know these goods to be perfect, they
are made right and fit right and rarely are they forced out at such prices as these.
