Take the Game.

Whith TA. May 10.—Wichita was outplayed today, yet came near winning the same in the last two innings by terrific onslaughts on Lang's pitching, following a period of wildness in which he walked two and hit one. With a man on third and two out in the ninth and but one run needed to the Manager Holland drove a long fly to Bader, which ended the game. Lang was airtight until the eighth, when he put two on bases by failure to locate the plate. Weaver's home run scored both men ahead of him. Doubles by Anderson and respectively. Welson it is Nelson, it is Nelson, they cried, and as the train pulled out they ran along beside it, giving "Three cheers for Battling holls in the greatest fighter in the world." Gotch did not seek to identify himself, only to say that he was not Nelson and if they had known Nelson or had a very intelligent idea of him they would have known that he was only about one-third as big as the man they took for him.

GOTCH IS TAKEN FOR NELSON and Rigler.

Gets Ovation from Danes, Who Think He is Battler.

Emil Klank, Frank Gotch's business man-Emil Klank, Frank Gotch's business manager, writing a letter to a friend on The Bee, relates an amusing incident in which Gotch's fame as champion wrestier of the world, was lost in the light of Battling Nelson's distinction as a prize fighter.

Gotch, Klank and Nelson left Denver, where Nelson had refereed the wrestle between Gotch and Beell, on the same train and traveled together as far as Green River, Wyo., when the Dane proceeded over the main line of the Union Pacific to Ogden, enroute to San Francisco and Gotch and Klank took the Oregon Short Line to Portland.

Now, there are many Danes at Green

Now, there are many Danes at Green River and they had got wind of the fact that Nelson was to be on that train. So when the train steamed into the station a when the train steamed into the station a crowd of people came rushing down to meet it, waving their hands and yelling. Gotch and Klank got off the train and were walking up and down the platform when the crowd burst upon them and as many as could grabbed Gotch by the hand and began shaking it vigorously and addressing him excitedly in a foreign tongue, which proved to be Danish. Gotch not being a Dane, could not understand them. Finally one man from the disappointed crowd stepped out and addressed Gotch in English, making known the fact that they had come out to meet their distinguished countryman who, they thought, of course, could speak his own language.

"But I am not Nelson; he has gone through on that train," said Gotch, pointing to the Union Pacific disappearing in the distance toward the west.

wrestler by the time he and Klank boarded their train.
"It is Nelson, it is Nelson," they cried, and as the train pulled out they ran along beside it, giving "Three cheers for Battling Nelson, the greatest fighter in the world."
Gotch did not seek to identify himself, only to say that he was not Nelson, and if they had known Nelson or had a very intelligent idea of him they would have known that he was only about one-third as big as the man they took for him.

FORT CROOK SEES REAL GAME Hollys Defeat Albright Merchants in

Game Ending 9 to 1. The Hollys easily defeated the Albright Merchants on the Fort Crook diamond by a score of 9 to 1. Gurness, the giant twirler of the losers, could not scare the Hollys with his great speed, as is shown by the eleven safe drives gurnered by the winners. Although the Albright team secured ten safeties off of Kelly, he kept them well scattered, so that with nearly perfect support the losers could get only one man across the pan. S.S. NATURE'S

The very great majority of persons need a tonic in the Spring or early Summer. The system undergoes a change at this season and the entire physical machinery is disturbed. The general bodily weakness, a tired, wornout feeling, fickle appetite, poor digestion, a half sick feeling and a general run-down condition of the system, show that the blood is weak or anaemic, and a blood purifying tonic is needed to build up the deranged system and enrich the blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the long, hot Summer. Many people have put off using a tonic until the system became so weakened and depleted it could not successfully throw off disease germs, and have paid for the neglect with a spell of fever, malaria or some other debilitating sickness. S. S. S. S. Nature's ideal tonic.
