GOVERNOR HONORS MAYOR

Shallenberger Names Dahlman Delegate to Navigation Congress.

SEVEN OTHER OMAHA MEN NAMED

Manager Hurd of Lincoln & Beatrice Interurban Will Make Valuntion of the Railroads of Nebraaka.

(From a Staff Correspondent.) LINCOLN, May 13.-Governor Shallenberger today gave Mayor Jim Dahlman another chance to distinguish himself. This time the opportunity is not to be at an irrigation congress, such as was held at Stoux City, In., last year. As near as the governor could come to the mark was to appoint Mayor Jim a delegate to represent Nebraska at the Missouri river navigation congress, which meets at Yankton, S. D., July 8 and 9. It has been the boast of Mayor Jim's friends that he is always able to navigate and Governor Shallenberger, a dear and near friend and a member of the same political party, will give Mayor Jim a chance to give a practical demonstration of his ability to grasp the helm and hold 'er to the bank 'till the last galoot's ashore. The other delegates who are thus henored in connection with Mayor Jim to represent Nebraska are the following: Hal McCord, Henry T. Clark. sr., J. G. Northwall, Henry W. Yates, Arthur C. Smith, Colonel Thomas Byrne and F. L. Haller, Omaha; H. H. Hanks and O. C. Morton, Nebraska City; Colonel M. A. Bates and Judge H. D. Travis. Plattsmouth.

The State Railway commission today so lected Elbert C. Hurd of Lincoln chief engineer to value all raffroad property in Nebraska at a salary of \$400 a month The selection was made by Commissioners Clarke, Winnett and Cowgill, with the approval of the governor. The legislature appropriated \$40,000 for the work of valuing railroad property and provided that approved by the governor.

Mr. Hurd is at present manager of the Omaha, Lincoln & Bestrice interurban railroad, which operates a short line out City next Tuesday. of Lincoln He has been educated as a civil engineer and has had some practicaly experience in railroad building. He built 145 miles of railroad for the Northern Pacific and did some construction work n Michigan. He will begin work in one wek, but may not be actively engaged till a week later. What roads are to be valued first is yet to be determined.
