BRAHAM THROWS OUT KNEE

Imaha's Star Second Baseman May Lose Another Season and Perhaps Base Ball Career by Repetition of Last Year's Mishap.

Omaha, 2; Wichita, &. It is had enough to lose a game of base ball, but to lose it after the home team has a lead most of the way through the game hard on the nerves to the fans. That, however, is the bitter plil they had to swallow at Vinton park Thursday in the scond game of the series with Wienits. Wichita made the first run in the opener, but Omaha came back with one in the econd and another in the third. Thus it stood with the score 2 to 1 in favor of the Rourke family until the fateful seventh, when all hopes were shattered. Westerzil's two-sacker to the left field fence drove in the run that tied the score and then Captain Franck let an easy grounder pass between his legs and the winning run was scored. Three more with the Thomas, lb., added for good measure by Wichita in the Davidson, cf. winning run was scored. Three more were

Wichita has made a hit with the Omaha fans, for Jack Holland, with the aid of Isbelly, has collected a bunch of oungsters who play ball all the time. They are full of ginger and always right That they are always poking is out is shown by the score which reveals the fact that the ten men who were retired were put out on balls hit a good lick by the willow.

Tracy Johns was on the hill for Pa and he did right well until the seventh inning. when a hit and an error seemed to disommode him. A single and a double down the third base line were made off his delivery in the first inning, and then for five innings the Hollanders could not connect safely for a single hit. But the rest of the game was a different story.

Graham's Accident Serious. A worse blow than losing the game be fell the Rourke family when in practice before the game George Graham, the brilliant second baseman, again threw his knee out of place. Friends of Graham have feared all along that his knee was not fully recovered from the bad wrench of last year, but he insisted on playing and, although his knee has pained him at times, he had played in every game this year without injury. There was a slippery spot between second and first and on this Graham slipped in practice and threw the knee out. It is feared the accident may keep him out of the game the rest of the year, if not forever. His place was taken by King and Belden went to center.

Again must the sad story of a lost game be told. With two out in the first inning Cole hit a clean single. Pennell followed with a long two-base drive down the third base foul line and drove Cole home. That started Wichita off in the lead, but Omaha scored one in each the second and third and took the lead.

Shaner did the slab work for Wichita and the first two men up were fanned by his benders, while Pendry knocked the ball to It began to look as though the game might be a repetition of the day before, with Brennan in the box.

Notes of the Game. Parsons was at the park in a uniform, but he is no longer a member of the Rourke family.

King dropped an easy tossed ball on which he had a chance to make a double play. He was too eager for the chance. King was forced to pay a fine of \$10 be-fore he could play in the game yesterday. The fine was put on him by Mulien at Pueblo.

King made the star play of the day when he soared in the air after Westeral's drive in the fifth inning and pulled it down with one hand. Fisher did not get a put out in his garden. but he had two assists and one of them was a pretty throw from deep field to the home

Wheeler, the new umpire, was formerly on the umpiring staff of the Southern league. Three base decisions he made on Thursday were not to the liking of the fans, for they were all against the home

Weaver is endowed with considerable luck for some reason or other. The Omaha team made three errors and each of them allowed Weaver to reach first, as they were made when he hit the ball. Some people

Lincoln, May 12.—The Lincoln and Pueblo clubs today shattered all records in the Western league for many seasons when they battled hrough seventeen innings, the visitors pulling out the victory by a score of 2 to 1. Neither club scored until the final innings. A base on balls to Clark led to Jones' undoing after he had pixhed marvelous ball. Clark was walked and Hogreiver forced Clark at second. Curtis followed with a single and Corhan smashed the ball to center. The sphere bounded away from Davidson and Hogreiver and Curtis scored, the latter sliding in only by a hair. The Greenbackers railled in their half. Sullivan doubled and Mason, batting for Jones, contributed with a single. Waldron's Texas leaguer scored Sullivan, but Fox popped up to Kensel and made it three out.

The contest was marked by marvelous fielding, Jude, Gagnier, Walters and Spencer carrying off the honors. In the tenth inning Pueblo had the bases full and none out, but Jones fanned two batsmen and escaped. Four Lincoln runners were cut down at the plate. The Greenbackers had several chances to score, but Swift steadled in every pinch and his team mates saved him by giving the husky southpaw perfect support. None of Lincoln's errors counted in the result. The score:

TWO SOUTHPAWS IN BATTLE

Des Moines Pitcher Trifled in Vain with a Left-Hand Hitter. DES MOINES, May 13.—Biersdorfer and Burnum had a magnificent southpaw battle today, the latter winning up until the ninth inning. Each pitcher allowed two hits. In the ninth Biersdorfer passed Fenion, who stole second. Andrews was passed intentionally to bring up Downey, who bats left handed. He struck at a wild one and smashed the next one safely to right field. Fenion scored and Andrews was caught at the plate. Score: DES MOINES

The champions pitchers were clearly off, both Starr and Eells giving a "grand per-formance of how not to get the ball over the plate, Denver receiving fifteen passes to first base, at one time Eells forcing in three runs. Big Pat Bohannan did some good pitching during the early innings, but it was so easy for Charley Jones' men that he let down in the ninth and gave the Champs two bases on balls, followed by four hits, which netted four runs. The batting of Welch and Zalusky relieved a tiresome three hours' contest, both getting long home runs. Lindsay and Hartman also did good execution with the willow, the former hitting a home run and the latter a three-bagger. Holmes' pitching staff is in pour condition. ngton battled for seventeen innings today and the game was called on account of darkness with the score I to 1. White al owed only one hit in the last ten lnnings. Manager Cantillon's tactles in the seventeenth innings probably saved his team from defeat. The locals had men on secand and third with one out. Manager Sulfivan then took himself out of the game and sent in Welday, a left-handed batter. When Cantillon saw this move he sent Hughes, who was pitching, to right field and sent in Gray, a left-handed pitcher. Sullivan countered by taking out Welday after Gray had pitched one ball to him Then Cantillon tried to withdraw Gray and send Hughes back against Owens, a right-handed hitter. According to the new rule it was up to Gray to finish pitching to the man who was then patting or give a pass. After some heated argument the umpires forced Gray to continue pitching to Owens. He did and passed him. Tannehill was the next man up and Hughes re turned to the box, while Ganley went to right field. Tannehill hit to Hughes and Altizer was forced at the plate. Oral Betting Permitted. The betting question looms large in the racing world and today's opening was awaited with much trepidation by those followers of the sport who have been wont to lay wagers on the chances of the horses engaged. The net results of the day were that under materially circumstances betting of a sort is tolerated. The new form, however, is a travesty of the practice which flourished in previous years. Under cover of a decision of the appellate division, which permits oral betting, the layers of odds took up their stations on the concourse in front of the grandstand in whispers, and by nods accepted wagers and gave odds. The method was veiled in mystery, accompanied by searching glances and stealthy looks. If the would-be bettor was known to the bookmaker, his bet was accepted with a muttered "you're on." No money was passed, the "bookmaker" trusted the bettor to search him out after the race and pay him the amount of his wager if he lost, and the better on his part trusted the "bookmaker" to look him up in the same fashion and give him his winnings-if he won. Some of the layers of odds settled outside of the grounds after the last race, and others on the trains coming back, but most of them put off settlement until tomorrow morning, at appointed headquarters in town.

HIGH SCHOOL LADS HOPEFUL

Expect to Make Showing at Interscholastic.

LAST YEAR'S RECORD IN DANGER

Omaha Athletes Confident They Can Do Better Than in 1908, When Thirteenth Place Was Allotment at End.

With high hope of doing many times better this year than last at the state high school track and field meet, ten contestants and forty or fifty rooters will leave Omaha this morning at 9:15 o'clock o attend the contest at Lincoln.

At the meet last year the Omaha coningent won fourth place-from the lastor, in other words, it trailed in for thirteenth place, with half a dozen dinky schools out in the sand hills beating it to a frazzle. This time the show will be a better one from the Gate City standpoint, and if expectations, determination and skill count, Omaha will rank high. However, with Lincoln's strength and that of several other schools, the locals are not hoping to carry off first honors.

Two men from each school will enter in each event, and the Omeha lads are taking as many as the rules allow. The team is made up as follows and will enter in the

Captain Raiph Weirick-100-yard and 200yard dashes, 230-yard hurdles and pele

Thompson-120-yard hurdles, high lump, pole voult, all ot, discus and hammer. Bob Wood-100-yard and 220-yard dashes,

V. Warner-440-yard dash, broad and high Harry Kulakofsky-Mile and half-mile

H. Fraser-440-yard dash and half-mile

Alfred Kennedy-Mile run.

Ed Burdick-Shot and discus. H. Andrus-Hammer. Benson Rowley-220-yard hurdles Half-mile relay team: Rowley, Warner,

Wood and Weirick. Some of the Stars.

Among the Omaha contestants who are expected to take places are Burdick in the shot put. Thompson in the high hurdles, Wood and Weirick in the dashes, Weirick in the low hurdles, Andrus in the hammer throw, Kennedy in the mile run, and the relay team in their race.

Burdick is doing over forty feet in with the lead ball, in spite of the fact that he was in a hospital for leg trouble not long ago. Long Bob Thompson has developed some wonderful form in lifting those pedal extremities of his over the hurdles. As Weirick and Wood both pressed the winners of the Missouri valley interscholastic meet for places in the dashes, they are thought to be in the way of bringing home a few ribbons from Lincoln, especially as they have improved since the last races. Andrus has improved with his hamme tossing and has broken the local record, while Al Kennedy is sure of giving Champion Wright of Kearney a good run in the

Fine form in almost all cases has been MINNEAPOLIS, Minn., May 13.— Two singles and Wheeler's muff of Landreth's fiy gave Louisville a two-run lead in the first inning and the home team was never able to overtake the visitors. Minneapolis scored in the sixth, following Block's long amash to center for three bases. Both Cates and Hogg pitched well. Score:

developed since working out was given awhile ago. With some good work at the state meet Friday and some further practice, the locals expect to do big things to Lincoln when the dual meet with the high school athletes of that city is held in Omaha, May 29. Omaha, May 29.

CINCINNATI. O.. May 12.—By a ruling of the National Base Ball commission announced today the application of "Dode" Criss of the St. Louis American league team for reinstatement is granted and the St. Louis club is required to pay him his salary from the time of his signing of a contract. No penalty is imposed against Criss, who had been placed on the ineligible list for failing to report to his club at the beginning of this season. The commission holds that "his demands on the club for an agreement regarding salary were not extravagant" and that he reported as soon as he could after that matter had been settled.
