MILLIONS OF TREES SET OUT

Pennsylvania Road Doing Enormous

Forestry Work.

PRIVATE TREE PLANTING AIDED

Over 150,000 Trees Furnished at Cost to Private Individuals and Corporations Along Line of Big Eastern Road.

More than 1,000,000 trees will be set out

by the Pennsylvania railroad this apring.

This will make a total of 2,430,000 trees which have been planted in the last three

years to provide for future requirements

n timber and cross ties and it constitutes the largest forestry plan yet undertaken

Heretofore the company's forestry opera-

tions have been confined to a limited area between Philadelphia and Altoona. This

year, however, 65.000 trees are being set

out on tracts of land near Metuchen and

New Brunswick, N. J. In addition there

are to be planted within the next month

207,000 trees near Conewago, Pa.; 186,000 tr the vicinity of Van Dyke, 284,000 at Lewis-

town Junction, 7,000 at Pomeroy and 205,000

Trees Furnished Public.

The policy of encouraging reforestration on the part of the public has been actively

pursued this spring. Some 151,000 trees have

corporations and individuals. In addition

8,000 privet hedge plants have been supplied

to private individuals and plants of the

port to the number of 7,000 are to be set

out to ornament boundary lines along the

Indicative of the scope of the forestry

flan this year is the fact that at the Mor-

risville nursery alone approximately 1,250.

000 trees have been dug, bundled and ship-

ped to places along the railroad. The ares occupied by these trees has been plowed

fertilized and is to be replanted with about

200 bushels of acorns. Half a million

conferous seedlings, which were grown

last year, are being set in transplant beds

to remain for a year before being set out
