CADMAN'S DRIVE TURNS TRICK

THREE RUNS SENT IN BY BATTER

an Out of Game with Broken Poot ent in as Pinch Hitter and Connects Squarely with Ball, While Fans Go Wild.

Omaha, 4; Topeka, 3. Three our of four from Topeka.

Cadman shone so far ahead of the other layers at Vinton street park that no other name was mentioned by the fans on their return home Wednesday. Cadman the doughty little catcher of the Bourke family who has been out of the game since the opening of the season with a

broken foot, won the game. Cadman was sent to but for Gonding in the eighth inning with two out and three on bases with the score 2 to 1 in favor of Topeka, but after the first ball pitched to him the score was different, for he hit the ball squarely on the nose. It scooted down the third base line and on out into the left garden while Kane, Franck and Belden trotted home with the rons which won the game. It was a beautiful hit and Captain Franck showed good judgment in sending Cadman in to hit for Gonding, who had not been able to connect with Slapnicka's curves. Perhaps it was the name he was afraid of,

Slapnicks had been so wild all through Omaha had been able to connect safely but twice, though one of those times had counted for a score. But is the eighth it was different. Kane was the second man up and he was given a life at first because Mr. Slapnicka muffed a toss to catch him. Walsh hit the ball hard, but Kahl was suffered to the safe of the safe one and best out a punt. He sleep Weich hit the ball hard, but Kahl was playing back of the first baseman's posiion and he was out. Belden hit the ball tion and he was out. Belden hit the ball to one side of the shortstop and by the time Downey was squared around for the throw, Belden was on first. Buck Franck trio can throw like lightning. drew a pass and the bases were filled with two out. Cadman was then called into the breach and made good. He hit the ball out of the feach of Jay Andrews and had time to hobble to second on his game leg while three members of the tribe of Rourke trotted home with the needed runs.

Game Good All the Way. Topeka made the first run of the game in the third inning by a free pass issued to Kerns and singles by Slapnicka and Wooley. Although but one was out Geler and Downey could not hit the ball out of the diamond and one was all that Topeka could make at that time.

Then came Omaha and tied the score in the last half of the third. Fisher made a good beginning by also drawing a pass. King followed with a pretty two sacker on which Fisher scored. Pendry was the next up and the fans looked to him or Kane to drive King around the circuit, but instead he hit the ball squarely in front of the plate. Kerns tagged Pendry and then King was caught in the mixup between second and third.

The tie was broken in the fourth by Kunkle, who with two out, hit the ball over the left field fence for a home run. And thus the score until the eighth inning. when Omaha annexed the game.

Topeka made a strong bid for the game in the last inning, but fell down. With one out Kahl hit for a double. Kerns flew out to Fisher and Slapnicka walked. McManus Pettigrew, cf. was sent to bat for Wooley and he made Anderson, a long hit, but Belden was able to capture the ball after a hard run and the game was

Stopped Playing.

LINCOLN, May 19 .- The Greenbackers and the Grisslies mixed in a thrilling sixteen-inning battle this afternoon, the Green tribe annexing the victory by a 3 to 2 score. The contest abounded in numerous brilliant plays in the fild. Gagnier accepted fifteen chances at short and Hartman was close second, his solitary error of the day costing nothing in the run department. Jude, Lincoln's Indian left fielder, pulled down ten fly hits, many of them difficult in the sun, while all of the outfielders were kept busy chasing long drives. Jones and Olmstead pitched with superb steadiness, each issuing but one walk in the full sixeen rounds.

The Greenbackers scored their first two uns by steals of home by Fox and Waldron and seemed to have the victory cinched, thut the Grissiles tied it up in the ninth. The same message said that Cantillon stated that Jiggs Donohus, recently acquired from the White Sox would captain Washington. Schipke and

He was a member of the team that brought the pennant to Omaha in 1904 and made himself popular here, where he played two seasons. He came to Omana a raw boy from St. Louis and made good. His fielding attracted attention and Cleveland finally got him, but let him slip back to the minors and the Cantillons secured him for their Des Molnes team. Then Joe Cantillon took him to Washington. He has made good right along in the big league with his fielding, but has been a bit shy at bat. Omaha will be vastly strengthened
