LADIES' DAY BEGINS NEXT MONTH

Week-End Dinners and Hop Well Attended at All the Clubs—Creche Benefit Conspicuous Function of Week.

To the Summer Girl.

To the summer girl I would sing a lay, As you sit in the hammock and swing all day; May the breeze you tell and the songs you sing Success in the guise of suitors bring; May the dreams you dream and the heart-felt talk Find its counterpart in the moonlight walk; In short, I hope you will soon acquire A life-long partner in male attire; And may you find when your vows are pledged, And his heart a prisoner is safely wedged, That the look in your eye, fetching and fair, Are nature's endowment, not Love's store; Your cheek like a rosy delicious peach, Not the kind that a drug store clerk can reach; May he never discover a righteous reason To resist having made of your card season. MAME B. GRIFFIN.

Perhaps it is the cool weather, or possibly the fact that society is more scattered than usual at this time of year, but for some reason the "indoor" affairs held on and the dinner party, the luncheon and the tea are almost as numerous as they were six weeks ago. In spite of the fact that the first of June is only a week off.

Although all the country clubs are open, the season is not yet open in full. Ladies' day, which was such a popular feature of all the clubs last year, has not been resumed as yet this spring, and will not be until the middle of June. The Country and Field clubs have commenced their mid-week hops and dinner, but Happy Hollow will not do so until in July, owing to the still incomplete condition of its pavilion. The opening of the Field and Country club Monday of next week is being anticipated by many and reservations are already being made for the dinner, which will be served from 6 to 8 o'clock.

The conspicuous function planned for the week is the card party to be given at the Country club Thursday afternoon for the benefit of the Creche. The board of directors of the Creche have in charge with Mrs. H. T. Lemist chairman of the committee. Mrs. William Guthrie will have charge of the game, which is to be played in four sections, the tables to be placed in the ball room, living room and dining room. The fact that participants may play with the same partner during the entire afternoon will be one of the attractive features. Several handsome prizes have been contributed by interested friends and refreshments will be served at the close of the game.

586 Stylish Hats at Cost

Beginning Tomorrow and Lasting All This Week

Riley Sisters

317 South 16th Street. Cause of This Big Sale

This is not an annual occurrence with us—in fact it is our first sacrifice sale, and is a very regrettable, though necessary procedure.

As everyone knows, the spring season has been extremely backward. We cannot say positively that it has yet arrived. We prepared and bought, hoping to enjoy a larger trade this season than ever before, but the weather went against us, until now, very much to our displeasure, we are absolutely compelled to cut off all margin of profit from each of the 586 hats remaining in stock and dispose of them as quickly as possible at their bare cost to us and, in many instances, less than cost. We have no other alternative and though we will lose heavily, we will, in part, recover the money we have tied up in this immense stock.
