

AFFAIRS AT SOUTH OMAHA

City Treasurer Finds School Fund in Good Condition.

HUNDRED THOUSAND IN HAND

Five Hundred Pupils Will Graduate from the Eighth Grade This Year—Fine Party at the Field Club.

The city treasurer speaks encouragingly of the South Omaha school finances. Tuesday of the present week he will receive from the county treasurer \$30,000 or more school moneys as the result of the school levy. To this will be added some further collections during the school year which is reckoned from May 1.

During the past year the Board of Education has been hewing close to the line in the matter of finances. The erection of a school building at a cost of about \$50,000 and the additions to the West Side school used up most of the surplus moneys. The board managed to get through the year with no great number of outstanding warrants. This year no buildings will be erected unless the board decides to erect a manual training department for the South Omaha high school. A site is to be purchased in the extreme west part of the city where a building will eventually be demanded.

The Board of Education meets Monday evening to make some additions to the teaching force and to elect the janitors, or part of them, for the ensuing year. The superintendent, N. M. Graham, is busy perfecting the arrangements for the commencement. About 500 will graduate from the eighth grade. The senior class of the high school will be larger than in 1908.

The finest party of the week was the regular Friday evening dance at the South Omaha country club. The weather was perfect for open air dancing. The members in large numbers availed themselves of the privilege of enjoying themselves to the fullest extent. The beauty of the new electric illumination was apparent. The dance was even more pleasant than the ball at the opening of the club season. The caterers did a great business in ice cream. The refreshments served this year are for the club members as no private interests are concerned. Manager C. A. Melcher thought it necessary to apologize for the fact that the club was short handed in the matter of help. He said he had never handled a crowd like the party Friday evening before and did not know all the details necessary nor the amount of help required for this part of the work. He said he was not a restaurant man and promised however that he would see to it that no trouble would again occur on this score.

W. W. W. Club Entertains.

The W. W. W. club was entertained at the home of Mrs. Harry Cote yesterday afternoon. The young women in charge of yesterday's entertainment were Mrs. Cote, Mrs. George Padock, Mrs. William Tagg, Miss Hazel Blair and Miss Marie Laughlin. The young women played whist after the usual custom of the club and at the close a luncheon was served. Miss Nora Gilchrist won the first prize in the contest. Mrs. Ann Garlin and Mrs. Fred Tost also won prizes.

Surprise on Fred Paul.

A number of friends of Fred Paul, credit man of the Omaha Packing company, gave him a surprise smoker at his residence, 239 F street, last evening. Mr. Paul has taken up his residence at that address recently and is soon to make it his home. He is to be married early in June in Chicago, where his affianced bride resides. It was one of the preliminaries of this event which the young men sought to celebrate. The most of the guests arrived before he discovered the intent. He was greatly gratified by their token of good will. The young men were all in the best of moods and made the time fly by many means accompanied by Rev. Richard Held on the piano. Mr. Paul being a German parentage the festivities were such as to gladden the hearts of the lovers of the Rhine. The merriment continued unabated until midnight. After the party the guests declared that Paul could not be other than well pleased after such splendid encouragement. He will bring his young bride home at once and begin keeping house. The guests were: Z. B. Udall, George Gribble, Rev. Richard Held, E. S. Von Behren, David Foster, Harvey Lawrence, E. F. Lyford, T. D. Thomas, Arthur W. McDonald, Elmer Drinkill, L. A. Kellogg, F. L. Paul.

If you desire a clear complexion take Foley's Orino Laxative for constipation and liver trouble, as it will stimulate these organs and thoroughly cleanse your system, which is what every one needs in the spring in order to feel well. For sale by all druggists.

Stomach Trouble.

Your tongue is coated. Your breath is foul. Headaches come and go.

These symptoms show that your stomach is the trouble. To remove the cause is the first thing, and Chamberlain's Stomach and Liver Tablets will do that. Easy to take and most effective.

Woman's Work

Activities of the Organized Bodies Along the Lines of Undertaking of Concern to Women.

Mrs. Philip Moore, president of the General Federation of Women's Clubs, will not be a guest at the convention of the Nebraska Federation at Lincoln next October. Mrs. Moore has decided to visit the clubs of the northwest this fall and will be in that district from September until November. The Nebraska meeting will be held October 12 to 14, inclusive, and a fine program is being arranged. These dates have been decided upon that they might coincide with the National Women's Christian Temperance union convention October 22 to 27, or the A-K-S-Ben carnival, September 29 to October 2.

At its biennial convention held last week at Davenport, the Iowa Federation of Women's Clubs decided to give special emphasis the coming biennium to a more beautiful home in a most significant step and its development will bear witness. Repeatedly, federations of clubs, national and state, have concentrated upon some special line of work and each time the result has been a mighty step ahead; the agitation has become general and the movement popular. The great wave of agitation for child labor legislation, library extension, juvenile courts and compulsory education that has spread over the country the last ten or fifteen years is directly traceable to the women's clubs and serves to illustrate what a mighty agency they are for the education of public opinion and public awakening.

The Iowa federation is one of the largest, strongest and best organized in the country and the enlistment of its several thousand members in a campaign for beautifying the state is certain of splendid results. Civic improvement has for many years been a department of state club work, but concerted action along a definite line is something new.

Nebraska has given especial emphasis to civic improvement. This year Mrs. E. C. Smith of Beatrice, chairman of the state committee, is urging the clubs to agitate a definite cleaning up day in their respective towns. The establishment of such a day in each town would soon solve the problem of unlovely cities and villages. It is a short step from cleaning up the back yard, the alley and the vacant lot to planting trees and making boulevards, for the fever of civic improvement is wonderfully contagious once it gets a good start. Nebraska has a few beauty spots of which it may well be proud. Arbor Lodge, the Morton estate, at Nebraska City, and the Elm avenue at Beatrice are among these. Closely allied to the work of beautifying is that of guarding public health. In this too, the club have had a substantial part. Walthill, the home of Mrs. H. L. Keefer, former president of the state federation, has installed individual drinking cups in its schools as a precaution against tuberculosis, while many other towns have adopted precautionary measures.

Nebraska club women will regret to learn that Mrs. W. E. Fox of Syracuse, former president of the Nebraska Federation and at present an advisory member of the state federation's library committee, will leave soon, with her family, to make her home at Grand Junction, Colo. Mrs. Fox has resigned from the library committee and expresses regret never interests necessary breaking the club ties.

Omaha Women's Christian Temperance union will hold its educational meeting Wednesday afternoon at 2:30 in the office of Dr. Mick in the Brandeis building. Dr. Mick will give a lecture on and demonstration of the X-Ray.

Opens Big Tract to Settlement

President Taft Issues Proclamation Covering 700,000 Acres of Western Land.

WASHINGTON, May 23.—President Taft today issued a proclamation providing for the opening up to settlement and entry of about 400,000 acres of land in the Flathead, Montana; 200,000 in the Couer d'Alene, Idaho, and between 50,000 and 100,000 in the Spokane, Washington, reservations.

Registration which will commence on July 1 and close on August 5, must be executed and sworn to at either Kalispell or Missoula, Mont., for the Flathead land; at Spokane for the Spokane land, and at Couer d'Alene for the lands in the Couer d'Alene reservation. Applications for registration must be delivered through the mails only to the superintendent of the opening at Couer d'Alene which will be the point of drawing for all three reservations. The drawing will begin at 10 o'clock August 9 and will continue until completed. The time for making entries has been fixed as April 10, 1910, for all reservations in order to enable the successful applicants to make personal investigation of the lands which will be subject to entry.

Persons qualified to make a homestead entry will be permitted to register at any of the lands in question and former holders may register through agents. Persons who enter Flathead lands will be required to pay one-third of the appraised value, ranging from \$1.25 to \$1 per acre, and purchasers of the Couer d'Alene and Spokane lands will be required to pay one-fifth of the appraised value at the time of entry, the remainder to be paid in equal annual installments. Title can be obtained by five years' residence and cultivation, or, after fourteen months actual and continuous residence by the payment of all of the unpaid installments at that time. Portions of the lands are adapted to the growth of wheat, oats, and other small grain, and root crops and fruit.

Signal Corps Men Camp at Auburn

Enroute to Fort Leavenworth to Meet Other Companies and Test Methods.

AUBURN, Neb., May 23.—(Special Telegram.)—Captain W. H. Oury, with eighty men representing Company D, signal corps, of Fort Omaha, arrived here this afternoon at 1 o'clock. The city here has been turned over to them for a camping ground and they are now comfortably located there.

Company D is on its way to Fort Leavenworth, Kan., at which place it will meet the other three companies, A, I and E, and there try out the different methods and standardize a signal method. Captain Oury and his company are in good spirits and say they have been receiving the most courteous treatment on their march so far. They will leave here at 7 a. m. tomorrow and make a short march to Stella, Neb., a distance of sixteen miles. They expect to reach Fort Leavenworth about June 1.

JURY TAMPERING THE THEME

Douglas County Bar Association Has a Serious Session.

EXECUTIVE COUNCIL TO ENQUIRE

Endorsement Given to Movement to Poll the Lawyers of the State on Preference for Candidates for Judgeships.

The Omaha Bar association went on record at its meeting Saturday evening as declaring that it believed jury tampering had been going on in the district court of Douglas county and passed unanimously a motion that the executive council of the association be ordered to devise, if possible, a plan to put a stop to it. The council is to report progress, at least, at the next meeting of the association.

While jury tampering was the chief theme of the evening, the association took important action in another matter which was to vote that the Omaha Bar association endorse the movement to have the officers of the State Bar association poll the lawyers of Nebraska as to their three preferred candidates for the supreme bench, all of whom will go on the ballot without party nomination or designation. The motion to endorse this was made and expounded by F. A. Brogan.

The jury question first came before the meeting, which was held at the Commercial club, in a report of a committee of the executive council which had interviewed the county commissioners with regard to the placing of names on the list from which jurors are drawn. F. L. Weaver read the report of the committee, which favored the making up of the list by the board as a whole and not by members individually. Weaver also reported with regard to warrant buying in the court houses and said that the practice afforded easy opportunity for jury tampering under the guise of other business. He added that since the report had been drawn the county commissioners had placed a ban on the practice.

T. W. Blackburn then read to the lawyers present the history of the attempts to bribe jurors in the suit of Boston Railroad vs. Omaha & Council Bluffs Street Railway company, which was tried eight times. Blackburn's remarks and readings included the three attempts to bribe jurors in that long protracted case and told of the expatriation from Omaha of Frank A. Green, claim agent for the street car company. When he concluded a motion was put and carried unanimously that his report be put upon the records and that he be given the thanks of the association.

The motion that the executive council formulate a plan to put a stop to jury tampering was made by C. J. Smyth and it received a second reading. T. Farnsworth moved that the standing order of a jury testimony leading to the conviction of any one for jury bribing, be recalled by public notice. This was seconded and carried in like fashion.

F. S. Brome urged that the Bar association consider a charge in the method of jury selection and favored the appointment by the district court of a jury commission. J. C. Kinsler spoke in favor of the adoption of the Utah system of majority verdicts, whereby nine or ten jurors concurring may establish a verdict.

Strike Given Ugly Aspect by Race Issue

White Firemen on Georgia Railroad Go Out to Force Discharge of Negroes—Two Small Riots.

AUGUSTA, Ga., May 23.—The race issue late tonight suddenly gave an extremely ugly aspect to the strike of less than a hundred white firemen on the Georgia railroad, who went out in an attempt to force the railroad to discharge its negro firemen.

Blood flowed at Athens and a small mob gathered here, the former disturbance being over a white fireman and the latter over a negro fireman. The engineers were called out shortly after midnight, when word was received that trains had been stopped at Lithonia and at Conyers, Ga., today and that engineers had been struck by rocks intended for the firemen. The order calling out the engineers was temporary and was issued by Assistant Grand Chief Burgess of the Brotherhood of Locomotive Engineers, who is in Atlanta. He intimated that if adequate protection could be afforded for the engineers the order for them not to take out their trains might be revoked. Meanwhile passenger train number 4 for Augusta, with nearly every coach full, stood in the train shed at Atlanta, with its time for pulling out past due, and no engineer to be found to handle the train.

Governor Smith was in conference about midnight with Sheriff Clark here, who assured the governor that the negro who had been threatened was safe and that things were quiet for the night. The governor believes that careful handling is necessary to avoid stirring up race issues.

Whisky Causes Death of Boys

Parents of Seaside Lads Give Them Liquor as Remedy for Nausea.

NEW YORK, May 23.—Whisky administered as a cure for seasickness caused the death of two 9-year-old boys, steersage passengers on the steamer Katerina Augusta Victoria, which arrived here today from Hamburg. The small victims became very sick during the rough weather and counteracted last Thursday and their parents gave them the liquor, hoping to ease their nausea. The children rapidly grew worse and, although the ship's surgeon was sent for, the younger of the boys, Herman Schmidt, died on the following day. The other, James Casstler, lingered until Monday, when he, too, succumbed. Both were buried at sea.

MISS WALSH WILL RECOVER

Young Woman Stabbed by Cornelius F. Shea, Lobby Leader, Shows Improvement.

NEW YORK, May 23.—Alice Walsh, the young woman formerly of Chicago, who was stabbed twenty-four times last night in a quarrel with Cornelius F. Shea, former president of the International Brotherhood of Teamsters, probably will recover from her wounds. She was under treatment in St. Vincent's hospital today and the physicians there said they had little doubt she would survive. She was arrested in the apartment in West Thirtieth street, where the quarrel took place.

New York Wins Bulk of Honors in Big Regatta

Cornell Defeats Harvard and Pennsylvania in Race for Junior Collegiate Eights.

PHILADELPHIA, Pa., May 23.—New York oarsmen carried off the bulk of the honors at the seventh annual regatta of the American Rowing association here this afternoon. Of the twelve events which had been up the program, the New York crew won seven, Philadelphia two, Harvard one, Cornell one, and Baltimore one. A steady rain fell due principally to the strong north wind at the backs of the oarsmen and the swift current, new records were established in five events, the first singles, second singles, first double sculls, first paired eared shells and the junior collegiate eights.

Cornell won the feature event of the day, which was the race for junior collegiate eights open only to crews whose members never rowed in a varsity boat at Poughkeepsie or New London. There were three crews in this race, Cornell, Harvard and Pennsylvania. The crimson oarsmen were the favorites and led for the first quarter mile of the 1.5 mile course. Then the Cornell eight moved up on even terms and soon was a few feet in advance of Harvard. From this point on Cornell was never headed. Harvard spurred for the last quarter of a mile, rowing a stroke six more to the minute than Cornell, but could not hold the lead, which was won by its length. The time of the Cornell was 5:26, which beat the record made by Yale last year. The Pennsylvania crew was two lengths in the rear of Cornell.

Harvard made some amends for its defeat in the junior college race by winning from the Malta Boat club, of this city, in the race for first single scull. The crimson crew with the substitution of Seagraves for Ellis won this event easily, though not in as fast time as the junior collegiate race was rowed.

Durando Miller and his brother, J. A. Miller, third, both of the New York Athletic club, won the race for first and second single sculls, respectively, and each broke the record. The younger Miller made better time than his elder brother, though the latter had no real competition in his race. The closest struggle of the day was that furnished by the Harlem Rowing club and the New York Athletic club, in the first double scull. The Harlem double had a lead of nearly a length a quarter of a mile from the finish, but the New York Athletic club men almost caught them in the last few strokes losing by only a couple of yards. Summaries:

Intercollegiate boat race: Won by Cornell, second Harvard; third, University of Pennsylvania. Time: 6:24. Cornell's time broke the record of 6:27 made by Yale in the association's regatta held last year. Cornell's crew was made up as follows: Seagraves, bow; Altchison, West, stroke; Wurz, oarsman; Durando Miller, stern. Names, Day, Sutton, Quadrate sculls: Won by New York Athletic club, second, New York Athletic club. Time: 8:14.4. Former record 8:27.4, made by William Mehrhoff, New York, in 1908. Second oared shells: Won by Metropolitan Boat club, New York; second, Crescent Boat club, Philadelphia. Time: 6:45. Two starters.

First single scull: Won by Durando Miller, New York Athletic club; second, Walter, University Boat club, Philadelphia. Only two starters. Time: 6:24. This broke the record of 6:27 made by Miller in 1908 and Lee, Washington, second, Philadelphia, in 1908. Intercollegiate eights: Won by Harvard, second, New York Athletic club, New York Rowing club, Philadelphia; second, McLaughlin, Sheppard, Steinkamp; second, University Boat club, Philadelphia. Time: 7:14. Two starters.

Second eight-oared shells: Won by University Boat club, Philadelphia; second, Delong, Mulford, Barrett, Fryer, Shown, Alexander, Reath, Williams, Stewart, second, New York Athletic club. Time: 6:42. Only two starters. Second single scull: Won by J. A. Miller, New York Athletic club; second, Hayward Nassau Boat club, New York; third, Hoffman, University Boat club, Philadelphia. Time: 8:14.4. Former record 8:27.4, made by William Mehrhoff, New York, in 1908.

Second oared shells: Won by Metropolitan Boat club, New York; second, Crescent Boat club, Philadelphia. Time: 6:45. Two starters. First double scull: Won by Harlem Athletic club, New York; second, New York Athletic club; third, University Boat club, Philadelphia; fourth, Dunham Rowing club, New York. Time: 7:14. Former record 7:28.4, made by William Mehrhoff, New York, in 1908.

Intercollegiate eights: Won by Harvard, second, New York Athletic club, New York Rowing club, Philadelphia; second, McLaughlin, Sheppard, Steinkamp; second, University Boat club, Philadelphia. Time: 7:14. Two starters. Second eight-oared shells: Won by University Boat club, Philadelphia; second, Delong, Mulford, Barrett, Fryer, Shown, Alexander, Reath, Williams, Stewart, second, New York Athletic club. Time: 6:42. Only two starters.

LEWIS AND REDICK QUALIFY

Win Out Against a Big Field at the Omaha Country Club.

E. V. Lewis and John Redick won out in the qualifying round at the Country club Saturday afternoon in the handicap medal play for a pair 24 golf buttons. John Redick made the course in 36. Gross Handicap Net: E. V. Lewis, 32; John Redick, 35; Ray Long, 36; E. R. Sprague, 39; G. C. Smith, 40; W. A. Redick, 40; H. Culver, 41; H. E. Johnson, 41; O. D. Kiplinger, 42; H. C. Friable, 42; G. C. Smith, 43; S. Dougherty, 44; O. H. Menold, 47; J. B. Porter, 49.

Those qualifying were paired off as follows: Johnson plays Kiplinger; Hughes and Greenstreet; Farish and Culver; Carrier and winner of tie; Gordon and Merriam; LaDouceur and Friable; Thorndike and Dougherty.

FAIRBANKS IS AT TOKIO

Former Vice President is Received in Audience by the Emperor.

TOKIO, May 23.—Former Vice President Charles W. Fairbanks and party arrived here today from San Francisco. Mr. Fairbanks will be received in audience by the emperor this afternoon, after which will be the guest of honor at a banquet given by Premier Marquis Katsura.

RELAY RUNNERS GO ALONG

Triangular Course Over 163 Miles is Made in Sixteen Hours.

OMAHA CONTINGENT WAS SHORT

Instead of Forty Boys, Only Twenty-One Left Here, Because of Auto Shortage—Messages of the Mayors.

Young Men's Christian association runners made 163 miles in 16 hours and eight minutes in their relay race from Omaha to Lincoln to Fremont and back to Omaha. It was planned to have forty men from each association to take part in the race, but because of the failure of the Omaha Automobile dealers to furnish the cars which had been promised it was necessary at the last minute to cut the number of men down to twenty-one from here to Lincoln.

The runners left the Omaha Young Men's Christian association at 5:45 Saturday morning and at 1:06 that afternoon, J. Fred Balther, Omaha's last runner, delivered the following message from Mayor Dahlman to the chief executive of the capital city. OMAHA, May 23, 1909.—The Honorable Mayor, Lincoln: The Young Men's Christian association runners leave here this morning for Lincoln, Omaha sends greetings. Boys will be dry so can't stop in your city very long. Please see they leave at once.

JAMES C. DAHLMAN, Mayor. Amid cheers the Lincoln men took a message from their mayor and started with it for Fremont. They delivered the following greeting into the hands of the Fremont mayor at 5:36 p. m.: To the Honorable Mr. Burrell, Mayor of Fremont, Neb.—My Dear Sir: Lincoln sends greetings to the city of Fremont and a message of friendship and good will. We are proud to have runners who represent our young manhood, the best product the city can produce, the safety and well-being of whom we consider to be of paramount importance. With best wishes, I have the honor to subscribe myself, very truly yours, DON L. LOVE, Mayor.

Fremont Cheered Runners.

As soon as the message was read, the Fremont boys started on their way to Omaha, with the whole town cheering them on. Leaving Fremont at 5:54, they covered their side of the triangle in three hours and fifty-seven minutes, arriving at Omaha at 9:51. Each man was to run one mile, but as the Omaha team was weakened by the failure of the auto supply, and as eight of the men had to stop at Ralston and return to the city, only seven men were necessary for the thirteen remaining men to run five miles each. Under these disadvantages, the Omaha men covered the distance of seventy miles, as registered by the automobiles which accompanied them, in seven hours and twenty minutes. Some exceptional records were made during the trip, and an average of four miles to the man was made.

Great enthusiasm was shown at Fremont and almost the entire town turned out to give the men a send-off. Before the team got out of town it was necessary for one of the men to climb over a rapidly moving freight train. Mayor Burrell's message to Mayor Dahlman was: Fremont, Neb., May 19:42.—"And whoever shall give to drink unto these little ones a cup of cold water, he shall receive his reward." F. L. MURRELL, Mayor.

Not One Bishopp. The entire trip was made without the slightest mishap and every runner finished in the finest of condition. The distance from Omaha to Lincoln, as run, was seventy miles, which was covered in seven hours and twenty minutes. From Lincoln to Fremont, fifty-five miles, was covered in four hours and fifty-one minutes. The run from Fremont to Omaha was thirty-eight miles and was made in three hours and fifty-seven minutes.

HERRESHOFF WINS GOLF MATCH

New Yorker Defeats Minnesota State Champion Five and Four.

GLENCOVE, N. Y., May 23.—Fred Herreshoff of New York beat H. G. Legg of Yale, 5 up and 4 to go in the final round of the Nassau Country club's annual golf tournament this afternoon. Legg, who is Minnesota state champion, did not win a hole, but halved nine. Herreshoff's putting was masterly and despite the high wind, the rain soaked links and other unfavorable conditions he was inside bogey on his medal score. The weather reduced the gallery to a handful. Cards: Herreshoff out, 3 4 5 4 4 5 4 3—28. Legg out, 3 5 4 4 5 5 5 4—40.

Four other sets were in the field besides a handicap and a Yale team this afternoon beat six of the Nassau Country club players, 10 points to 1. The Nassau scoring system was used. Merriman, the Connecticut state champion, and Langford, Lichtner and Weston scored for Yale; Hubble for the Nassau club. Another Nassau team beat a Williams college team, 4 points to 5. In this contest Walter G. Travis, Nassau, was defeated by Clifford A. Dunning, 2 down in match play.

HAPPY HOLLOW GOLFERS BUSY

Juniors and Seniors Both Chase the Favorite Ball on the Links.

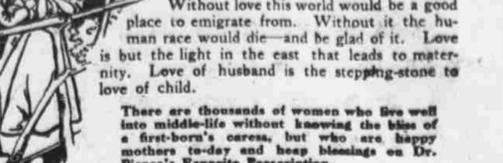

The first qualifying round for the Joseph Hayden cup was played off Saturday afternoon at the Happy Hollow club, with eight to qualify. The terms of this contest are that four are to qualify each month and they play off at match play and the winners of each of the four months will play off at the end of that time. Those qualifying were:

Handicap Net: W. E. Shepherd, 20; H. W. Hayward, 20; J. R. Morris, 20; G. E. Ellick, 20; W. B. T. Bell, 22; H. E. Burnham, 22; H. E. Nordstrom, 22; W. E. Sheffer, 24.

Four players qualified in the junior tournament at the Happy Hollow club for the Selby cup. Those qualifying were:

Handicap Net: Harold Foster, 11; George Ross, 11; Kenneth Reed, 11; Lawrence Foster, 11. In the play-off H. Foster (12) plays Kenneth Reed (scratch); George Ross (1) plays Lawrence Foster (1). "Died of Pneumonia" is never written of those who cure coughs and colds with Dr. King's New Discovery. Guaranteed. 50c and \$1.00. For sale by Beaton Drug Co. "The Chicago Limited" via the Illinois Central, at 6 p. m. Quick Action for Your Money—You get that by using The Bee advertising columns.

Love is Life

Without love this world would be a good place to emigrate from. Without it the human race would die—and be glad of it. Love is but the light in the east that leads to maternity. Love of husband is the stepping-stone to love of child.

There are thousands of women who live well into middle-life without knowing the bliss of a first-born's caress, but who are happy mothers to-day and reap blessings on Dr. Pierce's Favorite Prescription. Many thousands of women have testified to the merits of this marvelous remedy. The "Favorite Prescription" quickens the life-giving organism of women. It makes a woman strong and healthy where she most needs vigor and vitality. It cures all weakness and disease of the distinctly feminine organs. It eliminates the discomforts on the way to maternity and makes baby's coming easy and nearly painless. Found at all medicine stores. It's an insult to your intelligence when a druggist urges upon you a SECRET nostrum as a substitute for this proven remedy of KNOWN COMPOSITION simply that he may make a little larger profit. Physicians prescribe "Favorite Prescription" because it's every ingredient is printed upon its outside wrapper making it an ethical remedy for them to prescribe. There's no secrecy, no deception—it's a good, honest, square-deal medicine, made of native medicinal roots without alcohol or habit-forming drugs in its make up. Ask Your Neighbors. Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels. One to three tiny sugar-coated "Pellets" for a dose. Easy to take as candy. World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Not "Too Expensive"

Why do you not advertise to the Consumer through daily newspapers?

That question put to almost any manufacturer who has not tried it will frequently be met with the statement that "it's too expensive." This idea is incorrect. Why not try it? A campaign through newspapers, with all the auxiliary work planned for you by us, will sell more goods for general consumption than can possibly be sold in any other way. Tell us the places where you know your distribution is complete and yet where the goods are not moving as they should. Try the effect of newspaper space in selling a particular article in any one city. If your goods are of general consumption and you have never tried such a newspaper campaign, why not test it for results? Information and suggestions may be had from THE DAILY NEWSPAPER CLUB 903 World Building, New York City.

New Trains New Equipment Improved Service to Colorado

Handsome observation cars are carried on the Burlington's afternoon train for Denver. You leave Omaha at 4:10 p. m., and are in Denver 7:20 the next morning. These observation cars make it possible to view in the most delightful way, during the afternoon and early evening hours, the beautiful landscape through the heart of Nebraska. This popular train carries also chair cars, diners, and through standard and tourist sleepers for California. Colorado Limited: This new night Denver train leaves Omaha at 11:50 p. m. It is a high class dynamo electric lighted train of chair cars, diners, standard and observation sleepers; connections at Denver with afternoon and evening trains for the Coast and interior Colorado.

Only \$17.50 round trip summer rates to Denver or Colorado Springs; good for long or short vacations. J. B. Reynolds, C. P. A., 1502 Farnam St., Omaha.

A BEE WANT AD

will rent that vacant house, fill those vacant rooms, or secure boarders on short notice, at a very small cost to you. Telephone Douglas 238, Bee Office, 17th and Farnam.
