Secretary of American Tract Society Speaks Before Assembly on Needs of Dark Continent—More Funds for Negroes.

DENVER, Colo., May 24.—The board of foreign missions wants more arithmetics. These books are wanted by the natives in Uganda who wish to be able to compute the number of lions and tigers and giraffes slain by one of the "progressives."

It is in speaking of the lack of funds and the need for more funds for the Foreign Missions in the preparation of literature that he found occasion to refer to Theodore Roosevelt. He said that while it was not the province of the tract society to publish arithmetics, yet it would be done, because the natives of Uganda needed them.
