The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations. It's only a "tenderfoot" farmer that would try such

an experiment with a cow. But many s farmer feeds himself regardless of digestion and nutrition. He might almost as well est shav-ings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsis and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an untailing ramody, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medi-ine. It contains neither intexicants nor narcotics, and is as free from alcohol as from opium, coasise and other dangerous drugs. All ingredients printed on

its outside wrapper. Don't let a dealer delude you for his ewa profit. There is no medicino for stomach, liver and blood "just as good" as "Goldan Medical Discovery."

## NATURE'S LAXATIVE THE BEST

## Many Are So-Called "Natural."

Many laxatives on the market are often styled "natural" because of the well known fact that the laxative which Nature gives us is the best. Such ones, constantly coming up, soon disappear, because they are manufactured and can never possess thu inimitable merits of the product of Nature. HUNYADI JANOS Water, the genuine Natural Laxative, has stood at the head for nearly half a century as the ONLY Laxative whose established reputation is its best recommendation. It remains always the standard because it is NA-TURE'S remedy in its original form, pure and simple, in no way dependent, as others are, on artificial composition. At all druggists. Try it.

Look out for unscrupulous druggists, who will substitute unless you ask for HUNYADI JANOS.
