Two Third Rasemen Star in Brilliant Exhibition.

ONLY THREE RUNS ARE MADE Cobb Steals Second and Makes Run on Single to the Left by O'Leary.

DETROIT, May 28.-Today's game went fourteen innings and was a brilliant exhibition on both sides. The two third basemen largely determined the result, O'Leary's hitting being responsible for both Detroit runs, while Purteil, by almost impossible plays, repeatedly cut off other Detroit scores.

The clevnth was the only inning in which Chicago failed to have a bes rupper on fifteen of the visitors being left on bases. Burns was more steady than Killian, but the latter was strong in the pinches.

Detroit won it with two out. Cobb, who had a chance to win in the thirteenth, but was thrown out at the the plate, trying to score from first on Sullivan's double to deep left. Score:

HOME AFTER THESE EIGHT GAMES

Should at Least Break Even Away from Home and Come Back Prepared to Jump Into First Place in Race.

The fight for supremacy in the Western league has now really begun. The race has proceeded far enough to see that it lies between Omaha, Sloux City and Des Moines. Denver will have to brace up if it

expects to get in. Omaha won eleven of fourteen games brook, in defeating S. D. Bowers of the played on its home grounds, and it is playing fast ball and doing excellent team work, but it must continue to do all that to beat either Des Moines or Sloux City, tournament, one of his performances being fast. The Rourkes begin a four-game series in Sioux City today, then go to Des precedented. On its initial western trip its pitchers went lame in the winter weather that prevalled and did not recover until after Wichita had walked out of Omaha with two of three games, Topeka got out of town with one of four games and then Omaha braced up with

Schipke and Keeley and took four straight from Denver and three from Pueblo. Pa Rourke has six pitchers in Sanders, Hollenbeck, Johns, Lower, Swalm and Keeley, that will be hard to beat and he proposes to keep all of them throughout the season. So there is a tip to any of
