DON'T FORGET Try HAYDEN'S First IT PAYS

We are the people that sell the Cold Storage Refrigerator and the Detroit Ideal Gas Stove. They both have a National reputation. We sell them on small monthly payments or a cut price for cash.

The reputation of the Detroit Ideal as a gas stove in the east is such that when people move to Omaha from the east and buy a summer cooking apparatus here, the first thing they do is to look it up and as a refrigerator builder. He was awarded highest premium at the World's Fair in St. Louis on four points: on the cold storage, cold dry sanitary air circulating system, packing of the doors and walls, quality of the white enamel and glass trap. Some of the most prominent people of Omaha buy the Cold Storage because they know Mr. Hurd's reputation as a refrigerator builder. You don't have to be an expert on refrigerators to see the superiority of the Cold Storage over others.
