

SOCIETY IN SUMMER TIME

Thursday Evening Dinner and Hop Open at Rod and Gun Club.

TENNIS TOURNAMENT FOR WOMEN

Will Be Held at Field Club June Twenty-One—Ladies' Day Now on at All the Country Clubs.

His One Defect. From the Chicago News. Quite a modern man he is. So they tell me every way. I admit that well might be if he only wouldn't stay. Honest as the day is long. Truthful, and to anger slow. Never does a thing that's wrong. Only—he will never go. Prosperous, they tell me, too. Very prompt he does to pay. I believe that he might do if he only wouldn't stay. Talks with some display of sense. Quite a lot he seems to know. Doesn't mean the least offense. Only—he will never go. Not bad looking, not too old. Not too loud in his array. In his manner not too bold. If he only wouldn't stay. Nothing more I think to tell Of this eligible beau. One might like him pretty well. Only—he will never go.

Ladies' day privileges are now on at all the summer clubs and the club luncheon may be expected to be numerous for the rest of the summer. Happy Hollow has observed Tuesday and Thursday since the opening of the season. The Country club observed its first ladies' day luncheon last Wednesday, and the Field club will begin Tuesday of this week. Tuesday and Thursday to be especially set aside for the women.

Improvements at the Rod and Gun club are being made every day and the coming fortnight will see the completion of the tennis courts. Beginning Thursday of this week, a table d'hote dinner will be served every Thursday evening from 6:30 to 8 o'clock. Dancing will follow the dinner, but the privilege of the pavilion will be limited to the membership for the present. The cottages are almost all occupied by their owners, and the summer colony inside the club grounds is merry indeed. Several new sail and motor boats will be put on the lake this summer and the improvement of the beach will greatly increase the popularity of the bathing.
