OMAHA DRIVES KARSTEN OUT

Omaha, 7: Lincoln, 4.

Guy Green's Prohibitionists were forced to take the Keeley cure Sunday afternoon, whether they liked it or not

Lincoln's four runs were all the result of errors and bad ones at that. In the third inning Pritchett singled and in trying to catch him leading off too far at first, Kane let the ball get by him and Waldron, rf. Pritchett circled the sacks. In the eighth Davidson. Farthing hit a grass-cutter which scooted between King's legs, and Waldron scored him with a triple. Davidson hit a long Harris, 26 ... fly to Pendry and Waldron scored. In "Mason ninth inning Schipke threw bad to first on the first man up, and before the ball was found Mason, who had hit for Farthing p...... Harris, was on third. He scored on Prit-

chett's long fly to Fisher. Omaha started to score in the very first inning when, with two out, Welch was passed. Weich is now the head of the batter of the Western league in the per centage column and all pitchers fear his new willow. He draws more passes than any man in the league. Carson passed him to his sorrow yesterday, for Kane followed with a starler to right on which Welch went to third and scored on Schipke's single. Weich might have been nailed at the plate, but Pritchett preferred to play for Schipke and Slugger Bill beat the throw. Kane was caught napping off third.

King did not start to steal until Sullivan had thrown the ball to Carson and then Fisher started for home. An effort was made to catch Pisher at the plate, but he beat the bail by a magnificent slide.

The fourth inning was noted principally for Slugger Bill knocking the ball over the left field fence for a home run, but as the skipper is such a noted slugger this only attracted passing notice.

The game was cinched in the fifth inning by four runs. Fisher started the fun with a double to left and scored from second on King's safe bunt. A bad pair on the bases, those two. Welch was again passed and by four runs. Fisher started the fun with practice King's safe bunt. A bad pair on the bases, those two. Eagles by giving them their first defeat of the season on their home grounds yester-day by the score of 10 to 5. The C. H. The feature of the game was the batting of Sobotker, he setting five hits in five times C. H. S. and showed good form. The field-ing of Klenck and Loup and a shoestring catch by Jennings were the features. The Eagle pitcher was replaced in the sixth,

Townsends Win One Game.

The Townsend Gun club defeated Florence in the second game of a double header played by the gunners at Florence park yesterday by the score of 10 to 7. The Townsends infield, with the exception of the battery, changed positions every inning after they had the game stowed away. "Dusty" Hall, the Townsend crack second sacker, was spiked while covering the third corner, and this injury will probably keep him out of the game for about a month. Harry Sage put Donahue on the slab, but as he was not in form, he was relieved by Jones, who received better support and held the gunners safe the remainder of the game.

Morearty pitched good ball for the Townsends, striking out 5 and allowing only 7 singles.

NEW YORK, N. Y. June 6.—James J. Jeffries declared pubiloly that he will fight Jack Johnson for the heavyweight championship, but from statements made to his friends here the one time maker of boilers would not be surprised if Stanley Ketchell knocked out the negro title holder in their bout at Colma, Cal., next October.

Admirers of Ketchell believe the Michigan fighter will find some way to penetrate the peculiar and effective defense of Johnson and make him quit with bedy blows. Ketchell himself says that Johnson cannot take a beating.
