DES MOINES GOT ENOUGH HITS

But Something Always Happened Just Before They Became Scores After Third Inning Was

Over.

Omaha, 3; Des Moines, 2.

The doctor did as the doctor ordered. Harry Welch was the doctor who put the fixin's on the game Wednesday afternoon when, with his new willow, he knocked in all the runs scored by Omaha. That hat which Mr. Oyler picked out for him in Louisville is certainly a hummer, and not only has put Welch at the top of the batters of the Western league, but is also helping him win many gains for

The winning of the game was phenom enal, as Welch is usually not so strong o south paws. The big poise happened i the sixth inning, and how it was don might as well be told now as later. Sand ers drew a pass and Fisher beat out bunt as only Fisher can. King sacrifice them along a notch and when Schipke h to short. Sanders was naifed at the place and Fisher moved on to third. Schipke stol second and then came Wetch.

Biersdorfer was little fearful of the big fellow and evidently decided to pass him Welch, however, would not have it that way, and waiting until one came soaring by that he could reach, he swung hard an the ball scooted past Dwyer and Fishe and Schipke trotted home. In the fourt inning Schipke had hit a double and Welc also drove him home with a single wit the first gun of the game.

Two new second basemen made their first bow of the year in the Western league yesterday. Clyde Williams, former foot ball coach of the University of Iowa, Perrine, the ambidextrous one, who has been on several teams, reached Omaha just before the game and hurried into his suit to help win from Omaha's ancient rivals. Both took all the fielding chances which came their way, but Perrine excelled Williams with the willow, as he made two singles while Williams could not connect safely.

Des Moines Gets Hits. Although Omaha won, it must be said that things did not break very well for Des Molnes, or perhaps it was Sanders' masterful pitching, in the pinches which was the trouble. At any rate Des Moines made more hits than Omana and less errors, playing a perfect game in the field but the batters fell down in the pinches before the mature judgment and cunning sidewheel delivery of War Sanders. In the sixth inning Des Moines made three clean hits without a score. With one out Dwyer singled and died trying to steal second. Jack Dalton singled and went to third on Neihoff's single. They tried to work the double steal, but Captain Franck caught Gonding's throw and returned the ball in plenty of time to eatch Dalton at

the pinte. Des Moines scored first, making two runs in the third inning on two bases on balls an error and a single. Shea walked and Bleedorfer tried to bunt. Sanders went after the ball, slipped and fell down and then threw wild to first from a sitting posture, putting Shea on third. Colligar flew out to King and Bader struck out and Mattick walked-three bad men disposed of-but along came Captain Dwyer Wild pitch: McCarrerty. 11110. and with a hard drive over second scored Shea and Biersdorfer.

Sanders was in several, pinches, but Sanders was in several pinches, but wiggled out. In the eighth Mattick had walked and Gonding three wild to catch him at second and the big fellow went on the big fellow went on the big fellow went on built Senders took no changes with bunched hits on Swift in the first two stone.

Welch drove in all the runs for Omaha and Dwyer all for Dea Moines.

Perrine, Schibke and King, all little fellows, but pretty good at that.

It might have been a shubout if Sanders had not fallen on the slippery grass.

The undertakers were out in force, having decided to attend the game in a body, but no new business developed.

Perrine made one circus catch when he went into the sir and caught a high throw from Gonding and them nalled his man.

Jack Hassell, head of the Western league umpiring staff, made his first appearance in Omaha since last December. He looked quite natty in his lost cream trousers and dians here today, 1 to 0. Notes of the Game.

blue shirt. Jack is taking no chances with foul tipe this year, but is wearing cricked guards inder his crousers.

That the Rourke family was playing pretty charp ball is shown by the sixth inning, when three singles were not able to score a single run.

Philadelphia Shut Out by Magnificent

Des Moines has quite a bunch of hitters at the head of that batting list, but they all looked alike to Sanders yearerday. Bader was fanned twice when a little hit meant runs.

In the second inning Perrine walked and Kane hit what looked like a smasher for at least two, but Dwyer spoiled it all by jumping in the air and spearing the bait with one hand, making a double play unassisted.

One to Jones in centerfield for the visitors helped a lot in keeping down the local hits, as he just robbed batters of seemingly certain safe singles. Score:

WICHITA TEAM BUNCHES HITS

WICHITA. Kan., June 3.—Wichita bunched hits on Swift in the first two sunnings of today's game and won, 4 to 1. Errors by Swift and Corhan and a base on balls helped score three in the second. After that Swift settled down and not a hit was made until the eighth. Two more were bunched in the ninth, but Holland was caught at the plate on an attempted double steal. For eight innings but two hits were scored against Altchison, one of them clean and the other on a very questionable decision at first. In the last round singles by Hogriever and Spencer and a double by Waiters gave them their only run. The score:

C DRIVES OUT

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acrid and vitiated. Then instead of nourishing the different muscles and joints, keeping them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S. S. thoroughly cleanses and renovates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead of a sour, weak stream, depositing scrid and painful corrosive matter in the muscles, joints and bones, it nourishes the entire body with pure, rich blood and permanently cures Rheumatism. S. S. S. contains no potash, blood and permanently cures Rheumatism. S.S.S. contains no potash, alkali or other harmful mineral, but is made entirely of roots, herbs and barks of great parifying and tonic properties. Book on Rheumatism and any medical advice free to all who write.
