AFFAIRS AT SOUTH OMAHA

Professor Smith in Practical Talk to Stockmen.

THEME, ECONOMICAL FEEDING Mayor Kentsky Signs the Electric

Lighting Ordinance with Omaha Company for Five

Years.

Prof. H. R. Smith of the State University School of Agriculture gave another of his practical and entertaining pleaning. lectures before the South Omaha commission men and stockmen yesterday. The Meya, photo, removed to 16th & Howard | lecture concerned the most economical lie is invited. feeding of stock under the present nigh prices of corn and other feed. A new feature in the professor's lecture was the presentation of four lots of fattened cattle tied cream and sold only in carious. David fed at the state farm with a view to Delany is a colored offender. demonstrating the effect and economy of various rations of food. The first lot was fed five months on twelve pounds of eorn and 17.6 pounds of alfalfa hay. This of the First Methodist church will meet amount of hay was all the steers would with Mrs. H. C. Ulmer, 747 North Nine-consums. On this lot a profit of \$4.50 a teenth street, at 2:30 p. m. today. besd was realised over all expenses. The most profitable animal of the lot was neither the largest gainer nor the highest rough house on Indian hill Menday evening and the state of the lot was realised as a colored man and was raising a rough house on Indian hill Menday evening. Maggie Hobbs has been awarded a decree head was realised over all expenses. The of divorce from Albert Hobbs on the most profitable animal of the lot was ground of infidency and nonsupport. melther the largest gainer nor the highest seller, but perfect type of steer, with large girths, smooth outline, short neck, broad face and fine healthy skin. Therefore the profit. This the professor declared was no longer to stuff the animal with high priced corn, but to begin feeding early with a little corn and all the alfalfa the animal will eat. He thought corn fed from bearsal last evening. the shock during the first three months most economical. The first lot illus-

## **Boy's Corduroy** Knickerbock'rs

\$1.50 Value at \$1.00

We have just received several hundred pairs of boy's Indestructible corduroy knickerbockers, in sizes from 5 to 17 years. These pants are made of very fine, soft, linen backed velvet corduroy and are positively the most serviceable boys pants ever made. They are made with patent elastic waist bands, patent riveted buttons, and patent reinforced seams, and will not rip under the most severe strain. We say, with the greatest emphasis that we've never seen any better quality made to retail at \$1.50. And most any store but "The Nebraska" would sell these knickerbockers at that price. Our price is just-
