Majority of Senate in Favor of Adea.

WASHINGTON, June 11 .- Senators believing they have a majority in favor of an income tax amendment to the tariff Camorra and been murdered or kidnaped bill went to the capitol this morning filled for the sake of his ready cash or jewelry with hope that some substantial progress or in revenge for the arrest in Ohio of would be made toward the enactment of such a provision before the day was over. Senator Cummins of Iowa has proposed an amendment that will be received with favor by "progressive" republicans, while Senator Bailey has introduced such a measure that will appeal to democrats. If a majority can eventually be obtained for this legislation, it will be made up of republicans and democrats. In the senate yesterday it was agreed that the consideration of this subject would follow the dis-

position of the wool schedule. It is likely that the first bout over the income tax will result in a postponement of its con sideration until the schedules of the bill est in the Norwegian Lutheran Church of have been fully determined upon, as Sen-America convention, which is in session in ator Aldrich has insisted that until this is this city, today centered around the action done the need for additional reveuue from

The receipts for the year were senators here, who have been exercising timidity."

In Called to Order. No sooner had these words been uttered than there was a hasty protest by Senator Gallinger, who called upon Vice President Sherman to invoke paragraph 2 of

Rule xix, which relates to the necessity

rule had not been equally applied to all senators on the floor. He said he had noticed that some senators could say things without attention being called to them and that it was generally understood that

see that the rule was uniformly applied, to which Mr. La Follettee replied that he did not blame the vice president, as he understood that the rule was only applied when the attention of the chair was directed

Mr. Cummins declared that he marveled at the "blindness of the leaders of the republican party that they were willing to commit their party to such a woolen schedule." "Senators," he said, "you are simply

courting the destruction of your party by allowing such a schedule to go out to

The Aldrich-LaFoilette incident then came to a close and Senator Beacon took the floor. Explaining that the duty levied by the

vas as high as 160 per cent ad valorem, although but 71 per cent was placed upon the finest blankets used by the rich, Senator Gore offered an amendment limiting to 75 per cent, any duty upon a woolen danket. This amendment received the upport of Senators Bristow, Brown, Burkett, Clapp, Dolliver, LaFollette and Nelson, but Senator Cummins voted against it. The amendment was rejected by 29 to 43. Just before the senate took a recess, a motion by Mr. Cummins to reommit the woolen schedule to the finance committee was defcated. 8 to 59.

Those voting in the affirmative were Beveridge, Bristow, Brown, Burkett, Clapp, Cummins, Dolliver and Nelson, progressive republicans. This vote concluded the consideration of the wool
